

**ADDENDUM #1**  
**ARCHITECTURAL SERVICES – FIRE STATION #6**  
**RFP #22/23-002**  
**PROPOSALS DUE NO LATER THAN: 4:00 PM ON JUNE 29, 2022**

This addendum is to notify all potential proposers of clarifications made to the Bid documents as stated below.

- A) **CLARIFICATION/CHANGE** – Page 30 of the original RFP Book shall be changed in that all proposers should consider Item #3 (Civil Design) struck out. The City will contract directly with a local civil design consultant for this project. Their design will ultimately be coordinated with the architect awarded under the contract contemplated by this RFP.
  
- B) **COVID-19 Precautions** – Due to the City’s response to the COVID-19 virus and associated reduction in staff, in-person staff availability is limited. Proposers wishing to physically deliver their proposals (in-person) may do so via the Purchasing Department physical dropbox/mailbox, located in the lobby of City Hall. Deliveries via UPS, FEDEX and other delivery companies may be sent in their normal fashion.
