*Bids from Sprinturf and FieldTurf were missing information required under Nevada State law. Specifically, both bidders failed to "self list" themselves on the listing of sub-contractors, as directed on the sheet itself, and per state law. Specifically, NRS 338.141 (4, a) requires that bids missing the "self-listing" shall "be deemed not responsive." Therefore, those bids cannot be considered for award.						
**The bid submitted from FieldTurf acknowledged only one of the two issued addenda. The 2nd addendum included information/project changes that would likely affect the price of their bid. Therefore, their bid might be considered "non responsive" on this issue.
