This addendum is to notify all potential proposers of clarifications made to the Bid documents as stated below.

A) Reminder to Bidders:

Due to issues discovered in previous bids for this and similar construction projects, the City wishes to direct bidders to re-read and observe the following items:

- a. **Bid Document Page 8 (Subcontractor Detail)** – Potential bidders are reminded that Nevada State Law REQUIRES bidders to list all subcontractors that will be paid an amount exceeding 5% of their bid price. This requirement extends to the bidder as well. Bidders MUST list themselves on this form with the description of work they will self-perform under any contract resulting from this bid. Bidders failing to list themselves on this form will be found “non-responsive” and cannot be considered in the evaluation of bids.

B) Bid Item Clarification Changes

- a. The original language found describing Bid Item 7.0 (Page 45 of the Bid document) shall be deleted and replaced with the following:

Bid Item 7.0 – Provide/Install Rubber Tiles

The unit price bid for this item shall include all labor, equipment, materials, and all incidentals necessary to furnish and install new rubber tiles for a ten (10') foot fall height as indicated within the plans. Work shall include, but not be limited to removing/reinstalling play equipment or components as necessary for tile installation, verification of base grades, tile, glue, and appurtenances necessary for a complete installation. The bid measured and pay quantity for this item shall be the bid schedule unit price and quantity unless otherwise additional work is added or deleted and authorized by the engineer. Payment for this item will be per square foot.

C) General Clarification

- a. Size of vehicles allowed on concrete path was discussed. No larger than a 1 Ton vehicle allowed on concrete path. No concrete trucks allowed on concrete path.

Please note and adjust your bid according to the revisions, additions, deletions, clarifications or modifications as presented on this Addendum #1, which are made a part of this bid. NOTE: To avoid disqualification, this Addendum 1 (and any other addenda) must be signed by an authorized representative of the bidding firm in the space provided and must be submitted with your firm's sealed proposal. Failure to return this addendum, duly signed, may be cause for rejection of the bid. ALL ADDENDA SHOULD BE SIGNED AND PLACED IN SEQUENTIAL ORDER AND ATTACHED TO THE FRONT OF THE BID PACKAGE, COMPLETE WITH ALL REQUIRED DOCUMENTS.
