REMINDER TO BIDDERS:

Bid Document Page 8 (Subcontractor Detail) – Potential bidders are reminded that Nevada State Law **REQUIRES** bidders to list all subcontractors that will be paid an amount exceeding 5% of their bid price. This requirement extends to the bidder as well. Bidders **MUST ALSO** list themselves on this form with the description of work they will self-perform under any contract resulting from this bid. Bidders failing to list themselves on this form will be found “non-responsive” and cannot be considered in the evaluation of bids.

COVID-19 Precautions – Due to the City’s response to the COVID-19 virus and associated reduction in staff, in-person staff availability is limited. Bidders wishing to physically deliver their bids on the bid due date shall note that the Purchasing Office will receive bids in the lobby of City Hall beginning at 1PM on January 13th. Bids are due no later than 1:45PM. Bids may also be delivered to the Purchasing Department physical dropbox/mailbox, also located in the lobby of City Hall. The public bid opening will be available to all bidders via Zoom as detailed in the Notice to Bidders. A complete bid recap will be available on the City’s website no later than 5PM on January 13, 2021.

Bid Clarifications/Changes

Pipe insulation will not be required for this project. The relocation of the heating hot water piping shown on sheets M1.1 and M2.1 of the bid documents is no longer needed as the new air compressor will fit below the 3” heating hot water pipes.
