Any amendment, whether a proposed amendment or an alternative to a proposed amendment, that may be mutually agreed upon, shall become part of this Contract effective on the agreed date.

## **Article D: DURATION OF CONTRACT**

This Contract shall take effect the first full pay period following July 1, 2012 and shall continue in force until June 30, 2015. With the exception of the Marshals, the City has the discretion of delaying implementation of this amendment until this change is also implemented with all SPPA bargaining units. Employees whose schedule includes a paid lunch are not eligible for the additional 6% of base pay not exceeding \$100 per pay period. Note: This benefit is subject to collective bargaining whenever the collective bargaining Contract is reopened for negotiations pursuant to NRS 288.180(I).

Where more employees than can be accommodated request a particular shift or day off, preference will be in order of seniority in grade, provided the remaining employees are qualified to do the work and they meet the minimum acceptable production levels for the prior three months.

Eligibility: Employees will be eligible for this benefit. Employees who elect to have sick leave payoff in cash in accordance with this Contract are not entitled to elect conversion of accumulated sick leave to an insurance benefit. Employees may lose this election if the retiree has intervening employment with another Nevada public employer between the time of retirement from the City of Sparks and the election.

If an employee retires and does not enroll in the group health insurance program or enrolls in the group health insurance program and then drops enrollment, the employee (or the surviving spouse of the retired employee who is deceased) may reinstate coverage during even numbered years subject to the following conditions and applicable law at the time of reinstatement, including NRS 287.0475: 1. Upon ratification by the Association and approval by the City Council and not retroactive to July 1, 2008, employees qualifying for retirement under Nevada PERS with a minimum of twenty (20) years of total service with the City of Sparks may elect to convert a percentage of the employee's accumulated sick leave to an unfunded City account for the purpose of paying for medical coverage under the City's then existing group medical insurance plan or the Medical Plan offered through the Public Employees Benefit Plan, on a monthly basis.

The schedule of conversion is as follows:

<u>Years of Service</u>	<u>Conversion Percentage</u>
20	75%
21	80%
22	85%
23	90%
24	95%
25 years or more	100%

The account would be assigned a present value as of the date of retirement equal to the number of hours of accumulated sick leave times the employee's base hourly rate at the time of retirement. The City will account for the retiree's accumulated sick leave and debit said account on a dollar-for-dollar basis. The City will pay the retiree's medical coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

When a retired employee becomes eligible for Medicare coverage or other federal programs, the retiree will receive Medicare supplemental coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

A surviving spouse will continue to receive medical coverage under this benefit so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

This benefit is nontransferable and does not survive the retiree except as to a surviving spouse as described.

The fund to which the accumulated sick leave is credited does not accrue interest and does not have cash value. The City pays for the retiree's medical coverage by debiting the monthly cost of such coverage out of the appropriate City fund.

Should an employee transfer into this contract from another unit or resolution within the City, the employee will retain the conversion benefit earned under the previous contract.

2. the employee who is receiving the leave resigns, or her/his employment with the appointing authority is terminated.

Any leave which the employee received from the account for catastrophic sick leave which was not used at the time the catastrophe ceased to exist or upon resignation or termination of employment of the employee must be returned to the account for catastrophic sick leave.

#### **Article E: NON-USE OF SICK LEAVE AWARD**

An employee shall receive three (3) days off (to match regular work hours) from work if she/he has not used any accrued sick leave during the fiscal year, July 1 through June 30, two (2) days off for using one (1) day or less, and one day off for using two (2) days or less. The awarded days off will correspond with the employee's regular shift assignment. The selection of the day(s) shall be approved by the Department Head and shall be paid at the employee's regular hourly rate of pay. Determination of eligibility shall be made by the Human Resources Division who shall adjust the employee's annual leave balance by the addition of hours earned and so notify the affected employee. This benefit received by the employee will be added to the employee's annual leave by the first (1<sup>st</sup>) full pay period following August 1.

#### **Article F: SERVICE CONNECTED DISABILITY LEAVE**

If an employee is absent due to a service-connected injury, she/he shall receive current, full, regular pay of sixty (60) days in any twelve (12) month period, without being charged any sick and/or annual leave. After sixty (60) days, the employee shall, by notifying the Human Resources Department, elect one of the following options:

Option 1 - The employee shall accept as full compensation the amount received pursuant to NRS Chapters 616/617.

Option 2 - The employee shall accept current, full, regular pay and benefits from the City. The employee shall be charged sick leave until sick leave balance is zero (0) hours, then the employee shall be charged annual leave until annual leave balance is zero (0) hours. Upon depletion of the sick leave and annual leave hours to a zero (0) balance, the employee shall be compensated by only Option 1. The employee cannot change from the original elected option.

The following procedure shall be adhered to when an employee is compensated by the City, within the maximum of sixty (60) days in a twelve (12) month period, and/or when an employee is compensated under option 2 above:

1. All workers' compensation checks shall be promptly endorsed by the employee and submitted to the Risk Management Division.
2. The employee shall be credited first for annual leave and then sick leave hours charged during this disability, in proportion to hours used which relate to the worker's compensation check. For example, 80 hours x 2/3 = 53.3 hours of credit for either annual or sick leave.

In no event shall an employee be allowed to receive workers' compensation as well as compensation from the City.

When an employee is injured in the course of their employment, and initial treatment would place the employee in an overtime status, the hours during the initial outpatient treatment will be paid as overtime. For employees on evening or night shifts, any time spent for follow up, outpatient treatments will be paid as overtime.

Employees injured in the course of their employment while working on a City Holiday will receive the remainder of their shift paid at the worked holiday rate of pay.

Appearance(s) includes multiple defendants and/or multiple courts. Employees will not receive multiple two (2) hour minimums for multiple subpoenas within a two (2) hour period. If the employee is on duty and witnesses an event not related to the performance of their duty, but as a bystander witness, they will not be compensated for the court appearance.

  - c. The request for use of compensatory time off will be approved or denied within seventy-two (72) hours of request being presented to the immediate supervisor.
3. When an employee is to accrue more than three (3) full days of compensatory time off, such action not otherwise provided for in this section must first have the approval of the City Manager; except that in the case of an emergency to prevent loss of life or damage to property, the Department Head may authorize such overtime pending the earliest opportunity to seek the approval of such action.
  4. Settlement for Unused Compensatory Time: Payment for unused compensatory time is authorized to be paid in the event of termination, retirement or death.

Compensatory time elected to carry over in November 1 of each year shall not exceed 120 hours beyond that will be paid as provided above.

#### **Article K: PERSONAL LEAVE**
