Dear Mr. Ericson:

On behalf of DBJ Holdings, LLC., I would like to submit this formal request to the City of Sparks for a two-year extension for Tentative Map PCN16043, also known as Pioneer Meadows Village 10 per the provisions in the Nevada Revised Statutes (NRS) 278.360(c). The original Tentative Map was approved by the City Council of the City of Sparks on October 20, 2016. The first final map for the project was recorded on May 3<sup>rd</sup>, 2017 providing a two-year extension to May 3<sup>rd</sup>, 2019. This letter requests that the expiration be extended two additional years to May 3<sup>rd</sup>, 2021.

Thank you for your review and consideration of the above request. Feel free to contact me with any questions or comments regarding this request at (775) 236-0556.

Sincerely,
