WHEREAS, Parties acknowledge that the private right of way and the Improvements made in the Easement Area may be dedicated, at Grantee's sole discretion, to the applicable governmental and/or utility entity.

NOW THEREFORE, for good and valuable consideration, the adequacy, receipt and sufficiency of which is hereby acknowledged, the parties hereto do hereby agree as follows:

1. GRANT OF EASEMENT.

1.1 Access and Utility Easement. Grantor grants to Grantee and its Benefitted Persons (as defined in Section 7.11) a perpetual, non-exclusive access, utility and landscape easement sixty-five feet (65') in width (the "Access Easement") in, to, over, under, along, and across the Easement Area as more particularly described in Exhibit C and depicted in Exhibit C-1, for the purpose described in Section 2 of this Agreement.

1.2 Termination of Access Easement. The Access Easement shall automatically terminate as to those portions of the Easement Area in which the Improvements are constructed, dedicated and accepted for public use by the applicable governmental and/or utility entity, such termination to be effective upon recordation of a dedication instrument (e.g. tract map, final map, parcel map and/or dedication deed) to the applicable governmental and/or utility entity indicating that such portion of the Easement Area has been accepted for public use.

1.3 Temporary Construction and Fill Easement. Grantor hereby grants to Grantee and its Benefitted Persons (as defined in Section 7.11) a temporary, non-exclusive easement fifty-five feet (55') in width west of the Easement Area ("Temporary Construction and Fill Easement") in, to, over, under, along, and across the temporary construction easement area, as more particularly described in Exhibit C-1 and Exhibit C-2 attached hereto, for the purpose of carrying out the construction, grading and fill work necessary for the construction of the private street within the Easement Area. The term of use of said Temporary Construction and Fill Easement on the Burdened Property shall commence upon the recordation of this document and shall terminate upon the completion of the private street within the Easement Area. Grantee agrees to return the Temporary Construction and Fill Easement area to substantially the same condition in which the same was found.

2. PURPOSE OF EASEMENT.

2.1 Grantee's Use of Easement Area. The Easement is granted for the purposes of access, ingress and egress, landscaping, maintenance and operation of underground utilities, and temporary construction activities in, to, over, under, along, and across the Easement Area for the benefit of the Benefitted Property, Grantee, and Grantee's Benefitted Persons. Grantee and its Benefitted Persons may use the Easement Area for vehicular and pedestrian access, ingress, and egress to the Grantee Property and for the construction and dedication of the Improvements. Grantee's right to use the Easement Area includes the right to construct, maintain, repair and replace all Improvements (as defined herein).

2.2 Compliance with Laws. All work by or on behalf of Grantee within the Easement Area shall be conducted in compliance with all applicable federal, state and local laws, rules, regulations, and ordinances, including but not limited to all rules, regulations, and procedures of the applicable utility and local government with jurisdiction over such work. Grantee shall obtain all permits and approvals required to construct the Improvements.

Except as to rights herein granted, Grantor retains the right to use the Easement Area in any reasonable manner which Grantor desires, provided that Grantor shall not construct or maintain any building, permanent structure, walls, fences, or barriers of any kind within the Easement Area, or in any other manner

obstruct, impair, or interfere with the reasonable exercise of Grantee's rights granted herein.

3. IMPROVEMENTS

3.1 Construction. It is the Parties mutual intent that the Easement Area be used for the construction of (i) private right of way improvements consisting of a private street, sidewalks, curb and gutters, including all grading, cuts, fills and landscaping necessary thereto; and (ii) underground utility facilities, consisting of a water main, gas main, sewer main, storm drain main, and site utilities (electric, cable television, and/or phone), and related utility improvements to provide access and utility service to the Benefitted Property. 4. EASEMENT SUBJECT TO EXISTING MATTERS. The Easement is subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title, which are of record and affect the Easement Area as of the date this Agreement is recorded ("Title Matters"); however, all lien and encumbrance holders shall agree to subordinate its lien and/or encumbrance to this Easement, as to the Easement Area only, and all current and future lenders shall provide written evidence of such subordination. The use of the word "grant" in this Agreement shall not be construed as a covenant against the existence of any such Title Matters.

Grantee agrees, for itself and its affiliate successors and assigns, to indemnify, defend and hold harmless Grantor, and their respective members, managers, employees, agents, and affiliates (collectively, "Indemnitees") against any and all claims, demands, liabilities, causes of action, costs, and expenses (including attorney fees) made against or incurred by the Indemnitees, for injury, damage, or loss to persons or property, resulting from, caused by or in any way connected with or incident to (i) the use by Grantee of the Easement or Burdened Property, or (ii) Grantee's breach of this Agreement. Without limiting the foregoing, Grantee agrees to

indemnify, defend, and hold harmless Indemnitees and the Burdened Property from and against any mechanic's liens or claims arising from work or materials furnished to the Burdened Property by or at the request of Grantee or its contractors and Grantee agrees to cause any such liens to be released, within ten (10) days after Grantor notifies Grantee of any such claim, by payment of the claim or issuance of a statutory lien release bond in accordance with Nevada Revised Statute Section 108.2413. This Section shall automatically terminate if the Improvements are dedicated and accepted for public use by the applicable governmental and/or utility entity.

This Section shall automatically terminate if the Improvements are dedicated and accepted for public use by the applicable governmental and/or utility entity.

5.3 Insurance. Prior to the use of the Grantor Property pursuant to this Agreement, and at all times thereafter during the term of this Agreement, Grantee shall, at Grantee's expense, maintain a commercial general liability insurance policy as provided in this Section to cover its activities on the Grantor Property. Concurrent with execution of this Agreement, Grantee shall deliver to Grantor a certificate of insurance evidencing insurance coverage in compliance with the terms of this Section.
