SECTION 1: ADMINISTRATION

The City Manager shall administer the pay plan in accordance with the provisions established herein.

SECTION 2: DESIGNATION OF DEPUTY POLICE CHIEF EMPLOYEES

The Deputy Police Chief employees are in the Deputy Police Chief Resolution. The Deputy Police Chief employees are in the classified service.

SECTION 3: PAY RATES & REGULATIONS

1. Pay Rates:

FY 2011-2012

For the fiscal year 2011-2012, base salary rates will remain at the June 30, 2011 rate, except as may be adjusted due to reclassification and as adjusted for PERS increases/decreases as stated in Section 4.

2. Pay Periods: Each two week period shall constitute a pay period. The pay period shall commence on Monday at 12:01 A.M. and end on Sunday at Midnight. The dates of payment shall be established by the Financial Services Director.
3. Work Week: Each work week shall commence on Monday at 12:01 A.M. and end on Sunday at Midnight. Employees covered by this Resolution may work an alternative work schedule, with the approval of the Police Chief.
4. Initial Appointment: Upon entering a classified position, an employee shall receive compensation at "Step 1" of the Salary Schedule in the job classification for which the employee was hired. When economic conditions, unusual employment conditions or exceptional qualifications of a candidate for employment indicate that a higher hiring rate would be in the City's best interests, the City Manager may authorize hiring at a higher step in the Salary Schedule, higher than the minimum of the range, upon the request of the Police Chief.
5. Demotions: An employee covered by this Resolution shall be given fifteen (15) days notice before a demotion is effective. The employee shall be entitled to grieve the anticipated demotion in accordance with Section 17 of this Resolution. Any final action concerning the demotion will be stayed pending the outcome of the employee's grievance. Classified employees covered by this Resolution may choose to use the Civil Service appeal process or the grievance process set forth in Section 17, but may not use both for the same grievance. When an employee is demoted to a position in a class allocated to a lower pay range, the employee shall be reduced five increments or to the maximum rate of the new class, whichever is lower.
6. Reduction of Pay: The Police Chief, with the approval of the City Manager, may reduce an employee from any increment of the salary range, other than the first increment, to any appropriate lower increment of the salary range, upon failure of the employee to maintain the standard of work set forth for the increment of the salary range upon which the employee has been placed. In such event, the employee may again be raised by the Police Chief, with the approval of the City Manager, to any increment not higher than that from which the employee was reduced without any time requirement or other consent should, in the opinion of the Police Chief,

the employee's standard of service be reestablished.

7. Full-Time Service: For the purposes of determining eligibility for merit advancements and accrual of benefits, the term "full-time service" shall mean the number of days actually worked on a job including all absences with pay. Leave of absence without pay shall not be credited as full-time service.
8. Exempt Employee: A Deputy Police Chief is an exempt employee under FLSA.
9. Special Pay Considerations: In special circumstances, and with City Manager and Department Head approval, an employee may choose to reduce their individual pay rate, waive payment of bonus, or other pay considerations. These reductions are voluntary, and will require the submission of a written request, effective for the Fiscal Year of the request only,
10. Voluntary Time Off: In special circumstances, and with City Manager and Department Head approval, an employee may choose to take up to four (4) weeks unpaid time off per fiscal year. During this period, the employee's benefits will remain in force, with all applicable accruals. This unpaid time off is not considered a Leave of Absence as outlined in Section 14.
11. Voluntary Pay or Benefit Reduction: Should an employee voluntarily make a reduction in pay, benefits, or hours worked as outlined in numbers 10 and 11 above, the City Manager may make non-monetary considerations for the benefit of such employees.

SECTION 4: RETIREMENT

The retirement rights of the employees are as provided by the Statutes of the State of Nevada.

The City will pay 100% of the employee's retirement contribution to the Retirement System through June 30, 2011.

Effective for PERS contribution rate increases/decreases after June 30, 2011 the City and Employee will equally (50/50) split future PERS contribution rate increases/decreases.

SECTION 5: MERIT ADVANCEMENTS

1. Probationary Period: All original and promotional appointments of persons to vacant positions will be made subject to a probationary period of at least six (6) months, not to exceed one (1) year. An employee shall not receive any pay increases while in probationary status, other than job classification pay rate adjustments authorized by the City Council. The probationary period for Civil Service eligibility is set forth in the Civil Service Regulations. At the completion of the probationary period, an employee whose service has been certified as satisfactory by the Police Chief and City Manager, and approved by the Civil Service Commission, shall be deemed a classified employee. The employee shall thereupon be eligible for a salary increase. The Police Chief may, however, extend the probationary period of any new employee per Civil Service regulations. An employee shall not receive any pay increases while in probationary status, other than job classification pay rate adjustments authorized by the City Council.
2. Merit Increases: Each employee who has not reached the maximum of the salary range, shall be eligible for a merit pay increase, contingent upon the employee's level of job performance, on the anniversary date for that employee. An employee who may otherwise be eligible for a merit increase, but who was denied such an increase on the anniversary date, shall be eligible for review at the discretion of the Police Chief for a merit salary increase at any subsequent time during the next twelve (12) months.

SECTION 6: ACTING POLICE CHIEF COMPENSATION

Any Deputy Police Chief may be temporarily assigned to serve in an acting capacity in a position allocated to a higher pay range than that in which the employee is employed. If an employee is temporarily assigned the duties of such position for five (5) working days, consecutive or separate, during her/his career with the department, she/he shall, for each day thereafter so assigned, be termed an "Acting Temporary" employee.

An employee covered by this Resolution who has been temporarily assigned by the Police Chief to serve in an acting capacity shall receive the minimum pay rate for the new position class, or a five percent (5%) salary increase, whichever is higher, for the temporary time only, not to exceed the maximum of the range for the position assigned. The higher rate of pay will be for no less than four (4) hours per shift. Upon termination in the Acting Temporary position, the employee shall return to the position and the pay range from which the employee was temporarily assigned.

1. Long-term Acting Temporary Assignment: If an employee is assigned to a long-term acting temporary assignment for thirty (30) or more consecutive calendar days, beginning with the thirty-first (31st) calendar day, the employee shall receive compensation ten percent (10%) greater than the employee's regular salary or the bottom of the acting position's pay range, whichever is greater, not to exceed the maximum of the range for the position assigned. "Consecutive calendar days" are defined by the assignment, not the employee's attendance. Approved leave days taken during the first thirty (30) consecutive calendar days will not affect the assignment. The ten percent (10%) rate for the long-term acting temporary assignment compensation is for hours in the long-term acting temporary assignment after the assigned thirty-first (31st) calendar day.
2. Acting Police Chief: An employee covered by this Resolution who is assigned as a Police Chief between the incumbent's resignation and the hiring of a new Chief or during extended absences as approved by the City Manager shall be appointed acting Police Chief and be paid an additional ten percent (10%) over the employee's base salary or the minimum step of the salary range for the Police Chief, whichever is greater. performing employment duties, not as a result of the employee's own negligence. Should the City require a complete change of uniform, including different types of both shirts and trousers or either shirts or trousers, the City shall pay employees for the number of uniforms in employee's possession when there is a change of uniforms, provided, however, the employee produces the old uniforms. Both parties will cooperate with the other to obtain the lowest possible price for any uniforms to be paid for by the City.

Only Deputy Police Chief employees retiring after July 1, 2002, will be eligible for this benefit. The following employees will have the benefit as modified in paragraph 4(c): Robert Cowman; Tony Zamboni; and employees eligible for the benefit as modified by Article 15(c)(3) of the Sparks Police Protective Association Lieutenants labor agreement in effect on July 1, 2002, who are promoted to the position of Deputy Police Chief after July 1, 2002. No other employees hired into the position of Deputy Police Chief will be covered by the benefit as modified in paragraph 4(c).

(1) Employees who elect to have Sick Leave payoff in cash in accordance with this Resolution are not entitled to elect conversion of accumulated Sick Leave to an insurance benefit. Employees electing Sick Leave conversion to an insurance benefit are not entitled to Sick Leave payoff in cash.

(2) Employees retiring from the City under Nevada PERS may delay implementation of retirement health insurance coverage under the terms and conditions of this Section until such time he/she wishes such coverage to commence subject to the requirements of Federal law, Nevada law, Nevada PERS regulations and the terms and conditions of the City's Group Insurance Policy in effect at the time of the election. Employees may lose this election if the retiree has intervening employment with another Nevada public employer between the time of retirement from the City of Sparks and the election. If an employee retires and does not enroll in the group health insurance program or enrolls in the group health insurance program and then drops enrollment, the employee (or the surviving spouse of the retired employee who is deceased) may reinstate coverage during even numbered years subject to the following conditions and applicable law at

the time of reinstatement, including NRS 287.0475: 1) The City of Sparks is notified of the intent to reinstate coverage no later than January 31st of an even numbered year; 2) The City of Sparks was the employee's last public employer; 3) The enrollee accepts the City of Sparks current plan at the time of reinstatement and all subsequent changes; 4) The enrollee pays one hundred percent (100%) of the current premium being charged in a timely manner. - (2) Employees qualifying for retirement under Nevada PERS with a minimum of between twenty one (21) and twenty-five (25) years of continuous service with the City of Sparks may elect to convert the following percentages of the employee's accumulated sick leave to an unfunded City account for the purpose of paying for medical coverage under the City's then existing group medical insurance plan on a monthly basis.

<u>Years of Continuous Service</u>	<u>Conversion Percentages</u>
21	75 %
22	85 %
23	90 %
24	95 %
25	100 %

- (3) The account would be assigned a present value as of the date of retirement equal to the number of hours of accumulated Sick Leave times the employee's base hourly rate at the time of retirement. The City will account for a retiree's accumulated Sick Leave and debit said account on a dollar-for-dollar basis. The City will pay the retiree's medical coverage so long as there is a balance of accumulated Sick Leave adequate to cover the monthly premium.
- (4) When a retired employee becomes eligible for Medicare coverage or other federal programs, the retiree will receive Medicare supplemental coverage so long as there is a balance of accumulated Sick Leave adequate to cover the monthly premium.
- (5) A surviving spouse who is entitled to Nevada PERS benefits will continue to receive medical coverage under this benefit so long as there is a balance of accumulated Sick Leave adequate to cover the monthly premium.
- (6) This benefit is nontransferable and does not survive the retiree except as to a surviving spouse as described above.
- (7) The fund to which the accumulated Sick Leave is credited does not accrue interest and does not have cash value. The City pays for the retiree's medical coverage by debiting

the monthly cost of such coverage from the retiree's accumulated Sick Leave balance and paying the actual cost of such coverage out of the appropriate City fund.

- c. For those employees eligible in paragraph (a), the benefit amount in paragraph (b) will be modified as follows:

- (1) Eligible employees retiring after July 1, 2002, shall have their Sick Leave account debited in the following amounts for health insurance premiums, which represent a 3.5% increase over rates in effect in 1993:

Employee + 1 dependent	\$304.77
Family	\$416.20

Retiree and dependent over age 65

Employee only	\$ 93.85
Employee + 1 dependent	\$182.10

Subsequent to retirement, premiums and adjustments to premiums will be governed by the procedures outlined in the appropriate City Council Resolution.

- (2) For those eligible employees retiring after June 30, 2002, the initial amount their Sick Leave account is debited will increase at five percent (5%) per year, beginning the plan year of July 1, 1998, from the amounts listed above, until the monthly premium debited from their listed employees' Sick Leave is equal to the premiums charged other City employees retiring in the same year. Subsequent to retirement, the premiums and adjustments to premiums will be governed by Sparks City Council Resolution 2214, adopted April 12, 1993.

5. Long-Term Disability Insurance Upon Separation from City Service:

Any modifications in benefits agreed to by the City Council on recommendation of the Committee shall be binding upon each recognized Bargaining Unit.

1. **Purpose:** The purpose of the following grievance procedure shall be to settle as quickly as possible disputes concerning the interpretation and application of this City of Sparks Pay Resolution and other City of Sparks policies adopted in the same manner as this City of Sparks Pay Resolution. The City of Sparks Administration may allow an aggrieved employee to employ this procedure in those areas listed in Section 288.150, Paragraph 2, "a" through "f" of the Nevada Revised Statutes. The Police Chief shall respond to the employee or the employee's representative in writing within three (3) working days thereafter.

Within five (5) working days of the Police Chief's written reply, the employee or representative may appeal the grievance in writing to the City Manager, accompanied by all correspondence on the matter. The City Manager, after an examination of all relevant evidence and after consultation with the aggrieved employee or representative, will then make a written determination to the employee within fifteen (15) working days after the grievance presentation with an information copy to the Police Chief. In the event the City's time frames have not been met in this procedure, the grievance shall be automatically moved to the next step as if the grievance was denied, however, the individual at such step will provide a response to the grievance within ten (10) working days after the missed deadline.

If the employee so wishes, the aggrieved employee may be accompanied by one (1) person of the employee's choosing at any time and at each stage of the grievance procedure subsequent to the informal discussion with the Police Chief.
