## RATE SCHEDULES

### ILVNPS – INTERRUPTIBLE LARGE VOLUME NONPOTABLE SERVICE RATES AND CHARGES

#### APPLICABILITY

Rates contained in this Rate Schedule are applicable solely to the Interruptible Large Volume Non-Potable Service (ILVNPS). Water supplies may be supported by water resources owned or managed by or otherwise available to Authority that are not committed to support a Will-Serve Commitment. Authority may use one or more sources of supply in its sole and absolute discretion.

#### CHARACTER OF SERVICE

Delivery of water under this Rate Schedule ILVNPS is available, at the sole discretion of Authority, to customers for non-potable uses of water for instream water quality, instream return flows, environmental, or other authorized (in the discretion of Authority) non-potable purposes only, and shall be delivered from non-treated water sources of supply owned and/or managed by Authority. Service is only available under Rate Schedule ILVNPS for deliveries in excess of 15 acre-feet annually. Service may be subject to interruptions or curtailments for indefinite periods due to various operating conditions described in Special Condition #4 below. Subject to the foregoing, Authority will provide service on a best-efforts basis where required water deliveries can be provided without jeopardizing the integrity of the system and municipal drought supplies. Service shall be taken from one or more points of delivery directly on the Truckee River and shall not include any service from or through Authority's treatment facilities or distribution system. Authority may, in its sole discretion, require dedication of water resources from customers in accordance with Authority Rules or utilize water resources owned or managed by or available to Authority that are not committed to support a will serve to provide service under this tariff.

#### AVAILABILITY

Water service under this Rate Schedule is available, at the sole discretion of Authority, to customers at delivery points within Authority's geographic boundaries, subject to additional conditions of delivery which may be set forth in a contract described in Special Condition #1 below:
