A+lliance
of Washoe County

Mission

- A community partnership that fosters educational excellence and student achievement in Washoe County through leadership, advocacy and resource development.
- Our Mission is accomplished through a Board and Committees with members reflective of our community (students, parents, families, business leaders, civic leaders, and educators).

History/Structure

- Mid-1980's - organized to engage business and community to support education, college and career readiness, and academic achievement.
- Two WCSD employees
- 28 Community and Education leaders on the Board of Directors
- Three Education CEOs are permanent Board Members
- More than 45 volunteer community on EA's P-16 Advocacy Council and community engagement committees.

P-16 Advocacy Council

- Purpose: To advocate for a seamless educational system that helps all students successfully achieve their career and life goals.
- Engage community members
- Provide quality information for community to discuss, debate and act upon
- Data Profile (since 1998)
- College and Career Readiness Standards
- Assist WCSD, UNR, and TMCC to tell their story and share needs.

Community Engagement – Partners in Education

- Flagship program helping to bring business/community together in support of individual schools.
- 102 schools – each have specific needs, yet all benefit from time and expertise.
- Goal: Three effective partners per school.
- Our community benefits when we collectively contribute to K-12 education.

Let's work together to help students in our community!

- Become a partner at a school(s) and share your "time, talent, or treasure"
- Be a Run for Education Sponsor
- Participate in Principal/Executive for a Day, 9/15/15
- Spread the word by introducing us to your contacts; open the door for us!

Thank you!
