Older Americans Month 2019

Every May, the Administration for Community Living leads our nation's observance of Older Americans Month. The 2019 theme, **Connect, Create, Contribute**, encourages older adults and their communities to:

- Connect** with friends, family, and services that support participation.
- Create** by engaging in activities that promote learning, health, and personal enrichment.
- Contribute** time, talent, and life experience to benefit others.

Communities that encourage the contributions of older adults are stronger! By engaging and supporting all community members, we recognize that older adults play a key role in the vitality of our neighborhoods, networks, and lives.
