Re: Public Records Request

Dear Ms. Schull:

Pursuant to Nevada's Public Records law, NRS 239.010 et seq., I am requesting the documents that have been provided to Washoe County Regional Animal Services in accordance with the provisions of Washoe County Code Section 55.475(5) (i)-(ii). Specifically, all annual reports that have been provided to Washoe County Animal Services by a "Sponsor" of a feral cat colony setting forth (1) the number and location of colonies by address and zip code that the sponsor maintains through the TNR program and (2) the estimated total number of cats in each of the colonies.

Thank you in advance for your assistance in this matter.

Best Regards,
