Summary

- There are over 80,00 veterans residing in Northern Nevada
- We have a Veterans Nursing home in Boulder, but there is no corresponding facility to serve those in Northern Nevada
 - The So NV facility is at capacity
- Governor Sandoval and the 2017 Legislature approved advanced funding to begin construction July 2017

Eligibility

- State Veterans homes fill an important need for Veterans who may be low income and Veterans who desire the camaraderie of fellow Veterans... a common tie with all the others- the shared experience of service to our nation and the bonds of comradeship associated with that service
- 25% may be Veteran related family members (spouses, surviving spouses, and/or Gold Star parents)
- 75% must be Veterans
- The Home in Boulder has an average of 127 male Veterans, 40 spouses and 13 women Veterans (Capacity- 180 residents)

Community Involvement

- In the Southern Nevada home:
 - There are 95-130 Volunteers
 - During 2016 over 12,000 hours of volunteer time was devoted
- The Northern Nevada VA Hospital:
 - Currently has a CLC 60 bed facility for 30+/- long term care Veterans with the remaining 30 beds used for short term rehabilitation after discharge from VA hospital
 - Maintains contracts with two nursing homes in the area due to needs
 - Refers residents to California, averaging 5-10 per month place out of state
