I. APPROVAL OF PROJECTS

A. Reno, the County and Sparks hereby approve each and every Project and authorize the RTC to design, survey, engineer, acquire through purchase or eminent domain real property for, and construct, each of the Projects. Approval for any Project for any fiscal year shall be approval for all continued work by or on behalf of the RTC on that Project for any later

fiscal year. The RTC may expend money from one or more than one of the Regional Street and Highway Fund (the "Fuel Tax Fund"), the Transportation Sales Tax Fund (the "Sales Tax Fund") or the Regional Road Impact Fee Fund (the "RRIF Fund") on each Project as listed on the column next to the Project on Exhibit A. The cost of each Project is estimated by the RTC as shown on Exhibit A. These costs are only estimates and the RTC may expend additional monies from any one or more of the Fuel Tax Fund, the Sales Tax Fund or the RRIF Fund on each Project as such additional expenditures are reviewed and approved by the RTC Staff and/or the RTC Board of Commissioners pursuant to the RTC's policies and procedures.

B. Reno, the County and Sparks hereby authorize the RTC to adopt an appropriate resolutions of condemnation and initiate and prosecute to judgment such eminent domain proceedings as may be necessary for the acquisition of such property within their respective jurisdictions as the RTC deems necessary for the construction and/or maintenance of any Project and, if prudent, future expansions of each Project identified by the Regional Transportation Plan;

C. Offer not less than the appraisal value for the property and property rights deemed necessary for a Project and, where the prospect of reaching a mutually agreeable purchase price appears unlikely following reasonable negotiations, cause the RTC Board of Commissioners to adopt a "Resolution of Condemnation" finding that particular properties are necessary to the

success of a Project and authorize legal counsel to seek acquisition through eminent domain proceedings;

D. Coordinate all activities related to a Project including, but not limited to, advertising, receipt and review of construction bids, and execution of a contract with the contractor submitting the lowest responsive and responsible bid;

Payments for construction or engineering services will be paid to the contractor or consultant upon receipt of a claim or claims which have been certified as a true and correct account of the expenses incurred as a result of or in conjunction with the provisions of a contract entered into as a result of this Agreement. All submitted claims will have supporting documents attached which substantiate the basis of the claim. Such claim or claims shall be reviewed and approved in accordance with the policies and procedures of the RTC; and
