

Sparks City Council Meeting 4/28/2014

CONSIDERATION, DISCUSSION, POSSIBLE MOTION AND POSSIBLE APPROVAL OF COUNCIL MEMBER SCHMITT'S REQUEST TO RECONSIDER A MOTION MADE ON ITEM 6.9 OF THE APRIL 14, 2014 CITY COUNCIL AGENDA TO APPROVE THE PROPOSED FIVE-YEAR CAPITAL IMPROVEMENTS PLAN FOR FISCAL YEAR 2014-2015 THROUGH FISCAL YEAR 2018-2019. (FOR POSSIBLE ACTION)

Petitioner: Council Member Ron Schmitt

Presenter: Stephen W. Driscoll, City Manager

Item Brief: Upon completion of the April 14, 2014 City of Sparks Council meeting, Council Member Smith determined he had not voted for Agenda Item 6.9 accurately and requested reconsideration of the motion to approve the proposed five-year capital improvements plan for fiscal year 2014-2015 through fiscal year 2018-2019. On behalf of Council Member Smith, Council Member Schmitt has requested this item be brought forward for reconsideration.

Background: The Sparks City Council rules allow a member who votes on the prevailing side of a motion to bring that matter back for reconsideration by the entire body if the matter is brought back at the next possible Council meeting. Mr. Smith contacted the City Manager to advise of his desire to bring back the matter to allow him to discuss and to possibly alter his original vote. On behalf of Council Member Smith, Council Member Schmitt has requested this item be brought forward for reconsideration.

Analysis: If a reconsideration motion is approved by the Council, the matter is properly agendaized for Council to discuss and take action in the General Business section of the April 28, 2014 agenda.

Alternative: The Council may consider the reconsideration request and either approve or reject the request.

Recommended Motion: I move to approve the request to reconsider a motion made on item 6.9 of the April 14, 2014 City Council agenda to approve the proposed five-year capital improvements plan for fiscal year 2014-2015 through fiscal year 2018-2019.
