## Heritage of Sparks

**AVAILABLE SOON!**

The new **Last Chance Joe Charity License plate** will be available soon in all 23 state-wide license plate issuing offices of the Nevada DMV.. The first 100 numbers (0000 – 0099) have been reserved for members and special friends of the Museum. We have been assured that the plate will be available for cars, trucks, motorhomes and trailers. If you want one of these first 100 plates, call the Museum at 775-355-1144 to leave your name and telephone number so you can be reached when the plates go on sale. Specific numbers cannot be guaranteed as they will be issued on a “First Come-First Served” order. Cost of the plates for the first year will be \$63 plus a \$6 transfer fee, then only \$30 for subsequent years. Personalized plates can only accommodate 5 characters and must be ordered using *Personalized License Plate Application (SP-66)* which is available online or from any DMV office. Since the Museum will receive \$20 for each plate sold by the DMV, we will offer you a \$25 credit towards a one year Museum membership upon presenting your registration showing you have the Last Chance Joe plate. We need to get a minimum of 1,000 plates in circulation or the plate will be discontinued, so be sure to sign up for one (or more if you have more than one vehicle). Urge your friends to buy one too.
