Dear Karl,

Enclosed is your 2011 HopeLine® award in the amount of \$5,000.

As a recipient of a Verizon Wireless HopeLine grant, your organization is required to complete and return, the enclosed Grant Acknowledgement Form. Please send the form to me at the address below.

In addition, we would appreciate receiving a report from your organization - ten months from the date of this letter - that summarizes how our grant helped you touch the lives of those that your organization serves. There are no formal rules for this report. It will be used to help us evaluate any future funding requests that Sparks Police Department submits to Verizon Wireless.

Again, we are pleased to support your organization's mission and wish you great success.

Kind regards,
