EXHIBIT 1

CARES ACT (CDBG-CV) FUNDED EMERGENCY RENTAL ASSISTANCE PROGRAM

The City of Sparks is partnering with the Reno Housing Authority (RHA) to launch an **“Emergency Rental Assistance Program”** to assist households impacted by the COVID-19 crises and seeking recovery assistance. The City will provide CDBG-CV funding to the Reno Housing Authority (RHA), acting in the capacity of subrecipient, to disburse funds for Sparks residents with an inability to pay their monthly rent as a result of income losses attributable to the COVID-19 pandemic. *Assistance is provided for up to three (3) months of rent, including past due rent, payable to an eligible household’s landlord by RHA, acting on behalf of the City of Sparks.*

To be eligible, a household must qualify as a low-moderate income (LMI) resident renting an apartment or single-family residence in the city of Sparks. Renters do not have to have been diagnosed with the COVID-19 virus to be eligible to participate. Assistance is limited to low-to-moderate income (LMI) renters whose households earn 80% or less of the Area Median Income (AMI), as defined by the United States Department of Housing and Urban Development (HUD):

HUD Income Limits (<80 % AMI)

Reno, NV. MSA FY 2019/ 2020

1	2	3	4	5	6	7	8
person	person	person	person	person	person	person	person
\$43,750	\$50,000	\$56,250	\$62,500	\$67,500	\$72,500	\$77,500	\$82,500

Please note that income guidelines apply to household income before the COVID-19 related income loss.

RHA must check to see that assisted households that receive CDBG-CV assistance have not previously received, or will not receive, duplicative assistance from another source before CDBG-CV assistance is provided. This duplication of benefits analysis may be accomplished in various ways including by requiring beneficiaries to provide a self-certification indicating that they have not received a duplicative benefit, requiring them to fill out a questionnaire listing potentially duplicative assistance that they have already received, or reasonably anticipate receiving, and through other means. RHA must also require that if an assisted household subsequently receives a duplicative benefit, it agrees to repay the RHA.

A CDBG-CV grantee may permit payment of a cost that will be or is likely to be paid by another source in the future if the person or entity receiving the assistance enters an agreement to repay the CDBG-DR funds when the other source of assistance is received.

When applying, renters must provide:

- Photo identification
- A valid and current written lease signed by the landlord
- Verification of household members through lease agreement or identification
- Proof of income before the COVID-19 related loss for all adult members of household and documentation demonstrating the loss of income or an affidavit confirming loss of income due to COVID-19
- Documentation of household financial assets (i.e., bank statements). Cash assets may not exceed \$3,000,
- Evidence of non-duplication of assistance.

To apply renters, must submit:

- Paper or online application

For a renter to participate, the renter's landlord must:

- Accept the rental payment from RHA

Renters are NOT ELIGIBLE to participate if:

- They live in Public Housing
- Receive other government rental assistance (ESG, Section 8/ Housing Choice Vouchers, etc.)
- Are in the process of being evicted for a reason other than non-payment of rent.

Applicants selected to participate will receive emergency rental assistance for a maximum of three (3) months.

The program is funded with Community Development Block Grant funds (CDBG-CV) provided under the federal CARES Act.
