Section 1. Section 9.48.010: “Preamble” is hereby added as follows:

Section 9.48.010 – Preamble

- A. *The Truckee River runs from the outlet of Lake Tahoe, through Truckee, City of Reno and through Sparks on its way to Pyramid Lake, and is an important natural resource shared by our city and surrounding communities.*
- B. *The Truckee River watershed includes all of the land draining into the river, either directly, through our urban storm water system, or into creeks which feed the Truckee River.*
- C. *Once a thriving, wild waterway, the Truckee has been highly degraded over the past century.*
- D. *Proper management of the Truckee River, which provides 85% of the water delivered in the Truckee Meadows, is vital to sustaining a healthy community.*
- E. *Unregulated camping in and around the Truckee River threatens to pollute the area’s primary source of drinking water, and detracts from the scenic beauty of the river.*
- F. *Limited regulation of camping within the Truckee River Corridor is reasonably necessary to protect and enhance water quality or water resources of the Truckee River and appropriately balances the public interest and individual rights.*

Section 2. Section 9.48.020: “Definitions” is hereby added as follows:

Section 9.48.020: Definitions
