RE: Civil Engineering and Survey Services for Victorian Avenue Corridor Project:

Dear Andy:

Summit Engineering Corporation is pleased to submit the following proposal for the topographic survey, and civil engineering services for the Victorian Avenue Corridor Project. The east-west limits of this phase of the project will be from the west side of 10th Street to the east side of 15th Street. The north-south limits of the project will be from the south side of Avenue of Oak Trees on Victorian Plaza Circle to the southern edge of public improvements on the south side of Victorian Avenue.

A display showing the limits of the project has been attached to this proposal. The area shaded green and marked proposed is what the scope of work of this proposal includes. The blue shaded area is the area Summit is already under contract for.

The services to be provided are as follows:

I. TOPOGRAPHIC SURVEY

1. Tie the existing back face of curb on (+/-) 50' stations along Victorian Avenue, and the traffic islands in Pyramid Highway
2. Tie limits of pavers and concrete sidewalk
3. Tie existing utilities and detail catch basins and storm drain manholes
4. Tie existing curb depressions for handicap ramp design
5. Tie existing landscape boxes and bollards
6. Provide a topographic map depicting 1 foot contour intervals for engineering use

TOTAL for the above services \$20,000.00

II. CIVIL ENGINEERING

1. Create site plan depicting areas of concrete/pavers removal and replacement
2. Grading of new ADA ramps
3. Modify the northwest traffic island in Pyramid to improve drainage
4. Provide details for new improvements
5. Provide project technical specifications
6. Provide construction cost estimate

www.summitnv.com

7. Reimbursables (i.e. printing, project materials)

TOTAL for the above services \$20,000.00

Summit's proposed project total for the above mentioned services \$40,000.

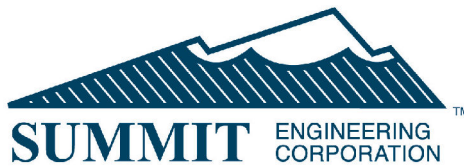

The project total for Items not included in this proposal are construction services such as testing and inspection, construction surveying, and geotechnical investigation. Work not specifically included above will be billed at a time and materials basis upon authorization from the City of Sparks at the rates shown in Exhibit B – Fee Schedule of this proposal.

If you have any questions or require additional information, please feel free to contact me at (775)747-8550.

Sincerely,

Rich Pettinari
