Sales tax, labor, and unloading of the equipment is not included as part of this quote.

Pricing furnished is effective for 60 days unless otherwise noted and is considered confidential.

Payment Terms

The contract balance is due no later than 30 days after invoice date.

Late payment will be subject to service charges of 1 ½% per month (18% APR).

Musco will attempt to coordinate shipment so that delivery corresponds with the customer's payment schedule. We will expect payment within the terms described above unless there is a written statement from Musco's corporate headquarters stating the acceptance of different terms.

Delivery to the job site from the time of order, submittal approval, and confirmation of order details including voltage and phase, pole locations is approximately 30-45 days. Due to the built-in custom light control per luminaire, pole locations need to be confirmed prior to production. Changes to pole locations after the product is sent to production could result in additional charges.

Notes

Quote is based on:

- Shipment of entire project together to one location
- Confirmation of pole locations prior to production
