

Supervisor Notes August 31, 2011 – September 26, 2011

Wednesday, August 31

- Talked to Bart at 7:45 a.m. He said he used an air sweeper from California to sweep Mains west of Sparks Blvd; his other sweeper needs a transmission.

Thursday, September 1

- Talked to Bart at 9:05 a.m. about sweeping Sparks Blvd. west. He said he would re-sweep entire area. He was too busy to meet with me to show him the pictures of the swept area. He said he would call me.

Friday, September 2

- Sweeper complaint: Dust on Disc.

Wednesday, September 7

- Check GPS for sweeping on September 6 swept industrial area. Streets not swept: Freeport, Stanford, Marietta Way, Linda Way, Cal Lane, Hardy Way, Dunn Circle, Hulda Way, Packer Way, and Larkin Circle.
- Called Bart at 1:15 p.m. He had driver call me. The driver said there was not enough time to sweep the area. Talked to Bart again and he said he would work it out.

Thursday, September 8

- Met with Bart Williams at 7:15 a.m. to discuss sweeping. He said he will talk to his sweeper operator and his boss, Joe, to bring another sweeper in. Gave him pictures of the swept areas.

Monday, September 12

- Talked to Bart. The sweeper is in Zone 3 today. He said they are 1-1/2 zones behind.

Tuesday, September 13

- Bart said he would call this morning. Never heard from him.

Friday, September 16

- They swept arterial east of Sparks Blvd. Streets included are: Sparks Blvd., Los Altos, Disc (between Sparks & Vista), Vista, Baring, E. Prater and E. Greg (from Sparks to Vista).

Monday, September 19

- They swept Zone 3 (part of it). GPS shows they did not sweep west of Pyramid.

Tuesday, September 20

- They swept north section of Zone 3. They swept industrial area (part of it). GPS shows only east portion from E. Prater-Sparks-I80-Salomon block. Danny received a complaint about dust from a sweeper on Macarthur (Zone 3). 1:40 p.m., I called Bart Williams and told him about the dust complaint. He said at this time they were four zones behind and he is working on hiring another sweeper operator. Bart said they were in Zone 3 yesterday (Monday) and will be sweeping the industrial zone tonight.

Wednesday, September 21

- Finished the industrial area. Finished Zone 3 but missed the nw section of Zone 3 (Emerson, Valley Forge, Holmon, Bunker Hill, Wilma, Lepori, Farr and Lagomarsino).

Thursday, September 22

Supervisor Notes September 27, 2011 – October 10, 2011

Tuesday, September 27

- Nothing swept in Sparks. Scheduled for arterial Sparks Blvd. and west start at 11:00 p.m.

Wednesday, September 28

- Byron called. Sweeper on Victorian: no rear brooms, side brooms only. I called and talked to Bart at 8:00 a.m. He said she (sweeper operator) only swept two streets in 9 hours. Bart does not know why. Bart said he is trying to get a new sweeper operator by the end of the week. Asked me not to take pictures of the area they were supposed to sweep because they have not been swept.
- GPS picked up from 11 p.m. on Tuesday on arterial west of Sparks Blvd. Did not sweep Los Altos, Disc, Baring, Sparks Blvd. north of Prater, Sullivan, El Rancho, Rock north of Prater and Oddie.

Thursday, September 29

- Why sweeping in Zone 6? Haven't finished Zone 5 or west Sparks Blvd. arterials.

Friday, September 30

- Bart William came by office. He said he tried calling Danno yesterday (Danno had day off) he said they redrew their sweeping zones and revised the sweeping schedule. He will have those to us on Monday, October 3. I gave him 3 new maps, and he asked for 2 more (larger) maps for his drivers. Bart said they shut down early yesterday because the sweeper operator was in the wrong Zone (6) and doing a poor job. He has a new driver starting today. He will finish the missed subdivision in Zone 3 today and then start Zone 5A (new zone). He is hoping to have the second sweeper running next week. The second sweeper is in their yard, but needs the GPS installed.

Tuesday, October 4

- Received new sweeping area maps. Broke zones in half. Received maps from Bart. Checked Zone 6. It looked better. Still a lot of snail trails on corners.

Thursday, October 6

- At 9:30 a.m., Bart dropped off residential sweeping maps and dates of areas to be swept.
