Attention: Mr. Kim Laber, Maintenance Manager

Reference: New Units and Parts Authorization

Dear Mr. Laber,

Please be advised that only Pacific Water Resources is the authorized municipal representative in the Northern California and Nevada Areas. With this contract in place, only Pacific Water Resources is authorized to supply pricing for Flowserve repair parts and new units to City of Reno and Sparks.

This representative contract covers all the brand names owned by Flowserve, this includes, Worthington Pumps, Ingersoll-Dresser Pumps, Durco Pumps, Plueger Submersible Pumps, Byron Jackson Pumps, Byron Jackson Submersible Pumps, and Pacific Pumps.

Should you have any further questions concerning this arrangement, please feel free to contact the writer,

Best regards,
