RE: Inspection Services

Mr. Meranda,

It was a pleasure to talk with you this morning and discuss how Premier Inspection Services might be able to support the City of Sparks with your inspection needs.

As discussed, we have an excellent inspector, Bradley Rowan – CBO, who is presently working with the Nevada State Public Works Division. Mr. Rowan will be available beginning November 12, 2017.

The hourly rate for Mr. Rowan is \$90/hour, which includes his own vehicle. I believe you'll find Mr. Rowan to be a very senior and capable inspector who is able to handle multiple responsibilities reliably and expeditiously.

As discussed, we are very encouraged with the prospect of working with the City of Sparks and are certainly willing to negotiate a fee structure that is acceptable for all. Please do not hesitate to contact me at any time on my cell phone listed below.

Kind Regards,

Greg Powell, RA
Principal Inspector
