**Limited Warranty - BMW R 1250 RT-P, F 850 GS-P, F 750 GS-P
2019 Police Motorcycles
(Valid only in the U.S.A.)**

BMW of North America, LLC ("BMW NA") warrants to the first retail Public Authority (Purchaser) and each subsequent Purchaser of 2019 U.S. specification R 1250 RT-P, F 850 GS-P and F 750 GS-P BMW Police motorcycles, imported by BMW NA, to be free of defects in materials or workmanship for a period of 36 months or 60,000 miles, whichever occurs first, commencing with the date the motorcycle is delivered to its first retail Purchaser, or, if the motorcycle is first placed in service as a BMW Press motorcycle, BMW Employee Lease motorcycle, BMW Motorcycle demonstrator, BMW Display motorcycle, BMW Fleet Motorcycle or BMW Motorcycle retailer demonstrator prior to sale at retail, on the date the motorcycle is first placed in such service.

To obtain service under this warranty, the motorcycle must be brought, upon discovery of the defect, to the workshop of any BMW Motorrad USA authorized motorcycle retailer. This motorcycle dealer will, without charge for parts or labor, either repair or replace the defective part(s) using new or authorized remanufactured parts. The decision whether to repair or replace said part(s) is solely the prerogative of BMW NA. Parts for which replacements are made become the property of BMW NA.

BMW NA makes no other express warranty on this product except the warranty as to the emission control system. **The duration of any implied warranty of merchantability, is limited to the duration of the express warranty herein. BMW NA hereby excludes incidental and consequential damages, including loss of time, inconvenience, or loss of use of the vehicle, for any breach of any express or implied warranty, including any implied warranty of merchantability that may be applicable to this product.** Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you.

This warranty is not applicable to Certified Pre-Owned (CPO) Motorcycles offered for sale under the BMW Certified Pre-Owned Motorcycle Program. A separate Certified Pre-Owned Protection Plan, described in applicable CPO literature, outlines the coverage provided to BMW CPO Motorcycles under the CPO Protection Plan.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Any legal claim or action arising from any express or implied warranty contained herein must be brought within 12 months of the date it arises.

Notwithstanding the above, the following items are warranted against defects in material and workmanship for the first 12 months:

- Halogen headlight bulbs
- LED bulbs as original equipment supplied by BMW (not Code 3, see below for Code 3 LED warning light warranty)
- Paint, powder coat and chrome finishes

Notwithstanding the above, the following items are warranted against defects in material and workmanship for the first 24 months:

- Batteries

This warranty does not apply to the following, except as noted above:

- Maintenance Services** - This includes, but is not limited to, scheduled maintenance, such as oil changes, wheel balancing; mechanical adjustments or repairs which become necessary through normal wear and tear such as throttle body synchronization, steering bearing adjustments; or periodic maintenance such as input and Paralever drive shaft spline lubrications.
- Service & Wear Items** - This includes, but is not limited to, the replacement of brake pads, linings and rotor assemblies, clutch plates, rear drive chain / belt and sprockets, spring strut dampers, steering head dampers, steering head, wheel and swing arm bearings and ball joints, incandescent bulbs, fuses, control cables, exhaust pipes and mufflers for discoloration of finish and rubber items such as hand grips, heated hand grips, foot rests, foot shift and control cable shields.
- Batteries** - Batteries that exhibit signs of neglect or overcharging.
- Tires** - Tires and tubes are warranted by their respective manufacturer for defects in materials and workmanship.
- Code 3 Emergency Products** - BMW NA has arranged with Code 3 Public Safety Equipment, Inc. ("Code 3") to allow authorized BMW motorcycle retailers to process valid Code 3 claims for warranty repair / replacement of Code 3 products; but only for Code 3 products supplied by BMW NA on new BMW police motors or originally distributed by BMW NA through the BMW parts system. Code 3 warranty duration is 3-years for LED's light heads and LED flasher modules. Please refer to the warranty information provided with these products for further details.
- Improper Fuel Usage** - Only use fuels advertised to have adequate detergency and low alcohol (maximum 10% ethanol) content. Please refer to your owner's manual for important information on the fuel recommended for use in your vehicle. Use of fuels with insufficient detergent and/or excess alcohol can cause drivability problems that necessitate cleaning intake valves and fuel injection valves, and, when applicable, adjusting the engine idle. We suggest having this work performed by your authorized BMW dealer, perhaps while regular maintenance is performed. Your BMW dealer can also recommend a gasoline additive that will provide sufficient detergency. While this recommended unscheduled maintenance is not required in order to maintain the emissions warranty, cleaning of the intake valves or, when applicable, fuel injection valves, or adjustment of engine idle, necessitated by use of inappropriate fuel, it is not covered by warranty because no defect in material or workmanship or component failure is involved.
