This Microsoft Enterprise Agreement is entered into between the entities identified on the program signature form.

Effective date. The effective date of this agreement is the effective date of the first Enrollment or the date Microsoft accepts this agreement, whichever is earlier. Any reference in this agreement or an Enrollment to "day" will be a calendar day.

This agreement consists of (1) these agreement terms and conditions and the signature form and all attachments identified therein, (2) the Product List, (3) the Product Use Rights applicable to Products licensed under this agreement, (4) any Affiliate Enrollment entered into under this agreement,

Please note: Several documents referenced in this agreement but not attached to the signature form may be found at: <http://www.microsoft.com/licensing/contracts> and are incorporated by reference, including the Product List and Product Use Rights. These documents may contain additional terms and conditions for Products licensed under this agreement and may be changed from time to time. Customer and/or its Affiliates should review such documents carefully, both at the time of signing and periodically, to ensure a full understanding of all terms and conditions applicable to Products licensed.

Terms and Conditions

1. Definitions.

“Affiliate” means

- a. with regard to Customer,
 - (i) any government agency, department, office, instrumentality, division, unit or other entity of the state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer;
 - (ii) any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of

Customer's state and located within Customer's state jurisdiction and geographic boundaries; and

- (iii) any other entity in Customer's state expressly authorized by the laws of Customer's state to purchase under state contracts; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates; and
- b. with regard to Microsoft, any legal entity that Microsoft owns, that owns Microsoft, or that is under common ownership with Microsoft;

"available" means Microsoft has made Licenses for that Product available on the Product List for ordering under a particular licensing program;

"Customer" means the entity that has entered into this agreement and its Affiliates;

"Customer Data" means all data, including all text, sound, or image files that are provided to Microsoft by, or on behalf of, Enrolled Affiliate through its use of the Online Services.

"Enrolled Affiliate" means an entity, either Customer or any one of Customer's Affiliates, that has entered into an Enrollment under this agreement;

"Enrollment" means the document that an Enrolled Affiliate submits under this agreement to place its initial order;

"Enterprise" means the Enrolled Affiliate and the Affiliates it chooses on its Enrollment to include in its enterprise;

"Fixes" means Product fixes, modifications or enhancements, or their derivatives, that Microsoft either releases generally (such as service packs).

"License" means Enrolled Affiliate's right to use the quantity of a Product ordered. For certain Products, a License may be available on a subscription basis ("Subscription License"). Licenses for Online Services will be considered Subscription Licenses under this agreement;

"L&SA" means a License and Software Assurance for any Product ordered;

"Microsoft" means the Microsoft Affiliate that has entered into this agreement or an Enrollment and its Affiliates, as appropriate;

"Online Service" means the Microsoft-hosted services identified in the Online Services section of the Product List.

"Product" means all software, Online Services and other web-based services, including pre-release or beta versions, identified on the Product List.

"Product List" means the statement published by Microsoft from time to time on the World Wide Web at <http://www.microsoft.com/licensing/contracts> or at a successor site that Microsoft identifies, which identifies the Products that are or may be made available under a program (which availability may vary by region) and any Product-specific conditions or limitations on the acquisition of licenses for, or use of, those Products.

"Product Use Rights" means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at <http://www.microsoft.com/licensing/contracts> or at a successor site.

"Reseller" means a large account Reseller authorized by Microsoft to resell Licenses under this program;

"Service Level Agreement" means the document specifying the standards Microsoft agrees to adhere to and by which it measures the level of service for an Online Service.

"Software Assurance" means an offering that provides new version rights and other benefits for Products as further described in the Product List.

“Trade Secret” means information that is not generally known or readily ascertainable to the public, has economic value as a result, and has been subject to reasonable steps under the circumstances to maintain its secrecy;

“use” or “run” means to copy, install, use, access, display, run or otherwise interact.

2. How the Enterprise and Enterprise Subscription program works.

The Enterprise and Enterprise Subscription Program. The Enterprise and Enterprise Subscription programs establish a Customer’s overall licensing framework and the applicable terms and conditions. Under the Enterprise program, Customer may license Products by entering into Enrollments. The Enterprise Subscription program offers Customer the same options as the Enterprise Program, but on a subscription basis, with an optional buy-out to obtain perpetual Licenses.

- a. Enrollments.** The Enterprise program gives Customer and/or its Affiliates the ability to enter into one or more Enrollments to order Products. Subscription Enrollments may be available for some of these Enrollments.
- b. Licenses.** The types of Licenses available are L&SA, Licenses obtained under Software Assurance and Subscription Licenses. These License types as well as additional License Types are defined in the Product List.
- c. How Enrolled Affiliates acquire Licenses.** An Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders will be made out to and submitted to the Enrolled Affiliate’s Reseller. Microsoft will invoice that Reseller according to the terms in the applicable Enrollment.
- d. Choosing and maintaining a Reseller.** Each Enrolled Affiliate must choose and maintain a Reseller authorized in the Enrolled Affiliate’s location.
- e. Pricing.**
 - (i) Establishing Price Levels.** Each Product generally is assigned to a Product pool (e.g., applications, systems, or servers). Each Product pool will be assigned one of four price levels (A, B, C, and D). Enrolled Affiliate’s Price Level will be Level D for all Enterprise Products, Enterprise Online Services, Online Services and Additional Products ordered under any Enrollment.
 - (ii) Placing Orders through Reseller.** Orders under an Enrollment will be made to the Reseller. Microsoft will invoice the Reseller according to the terms in the applicable Enrollment. Throughout this agreement the term “price” refers to reference price. The Reseller and the Enrolled Affiliate will determine the Enrolled Affiliate’s actual price and payment terms.
- f. Order Requirements.** Order Requirements are outlined in each Enrollment.
- g. Management and Reporting.** Customer and/or Enrolled Affiliate may manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft’s Volume Licensing Service Center (“VLSC”) web site (or successor site) at: <https://www.microsoft.com/licensing/servicecenter>. Upon the effective date of this agreement and any Enrollments, the contact(s) identified for this purpose will be provided access to this site and may authorize additional users and contacts.

3. Licenses for Products.

- a. General.** Enrolled Affiliate will have the number of Licenses ordered for the latest version of a Product, and may use prior versions as permitted in the Product Use Rights, so long Microsoft receives timely orders from Reseller for all required Licenses for such Products and complies with applicable license terms. The Licenses obtained under an Enrollment are not

related to any order or fulfillment of software media. The ability to use a Product ordered may be affected by minimum hardware or software requirements.

- b. Use by Affiliates.** The Enrolled Affiliate may sublicense the right to use the Products to any Affiliates covered under its Enrollment, but Affiliate recipient of these Licenses may not sublicense these rights and their use must be consistent with the License terms contained in this agreement.
- c. When Licenses become perpetual.** The right to run any Product licensed under an Enrollment is temporary unless and until it becomes perpetual as follows:
 - (i)** A License is temporary until Enrolled Affiliate's Reseller has paid for a License in full and the applicable initial Enrollment or renewal term during which the License was ordered must have expired or been terminated as permitted in this agreement.
 - (ii)** Subscription Licenses are never perpetual. If a buy-out option is available, Enrolled Affiliate may obtain a perpetual License by exercising the buy-out option and paying for the License in full.
 - (iii)** Enrolled Affiliate will have perpetual Licenses to use the Products ordered in the latest version available (or any prior version) as of the date of expiration, termination, or renewal.
 - (iv)** All perpetual Licenses acquired under this agreement remain subject to the terms of this agreement and such terms survive expiration or termination of this agreement or an Enrollment.
- d. Perpetual Licenses through Software Assurance.** Perpetual Licenses received through Software Assurance supersede and replace the underlying perpetual Licenses for which Software Assurance coverage was ordered. In the case of Early Termination, the terms in Section 7 titled "Term and Termination will apply."
- e. License confirmation.** This agreement, the applicable Enrollment, the Enrolled Affiliate's order confirmation, and any documentation evidencing transfers of Licenses, together with proof of payment, will be the Enrolled Affiliate's evidence of all Licenses obtained under its Enrollment.
- f. Reorganizations, Consolidations, and Privatizations.** If the number of Qualified Devices or Qualified Users covered by an Enrollment changes by more than ten percent as a result of a reorganization, consolidation, or privatization of an Enrolled Affiliate, Microsoft will work with the Enrolled Affiliate in good faith to determine how to accommodate its changed circumstances in the context of this agreement. If an Enrolled Affiliate consolidates with a third party with an existing agreement or enrollment, Microsoft will work with the Enrolled Affiliate in good faith to accommodate its changed circumstances in the context of this agreement.

4. How to know what Product Use Rights apply.

- a. Product Use Rights.** The Product Use Rights in effect on the effective date of an Enrollment will apply to Enrolled Affiliate's use of then-current versions of each Product (excluding Online Services). For future versions, the Product Use Rights in effect when those future versions are first released will apply. In both cases, subsequent changes made by Microsoft to the Product Use Rights for a particular version will not apply to Enrolled Affiliate's use of that version, unless Enrolled Affiliate chooses to have such changes apply. The use rights for Online Services and the process for updating them as the Online Services evolve are detailed in the Product Use Rights.
- b. Product Use Rights for earlier versions (downgrade).** If Enrolled Affiliate runs an earlier version of a Product than the version that was current on the Enrollment effective date, the Product Use Rights for the version licensed, not the version being run, will apply. However, if

the earlier version includes components that are not part of the licensed version, any Product Use Rights specific to those components will apply to Enrolled Affiliate's use of those components.

- c. **Reservation of rights.** All rights not expressly granted are reserved.

5. Making copies of Products and re-imaging rights.

- a. **General.** Enrolled Affiliate may make as many copies of Products, if applicable, as it needs to distribute them within its organization. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Enrolled Affiliate may use a third party to make these copies, but Enrolled Affiliate agrees it will be responsible for any third party's actions. Enrolled Affiliate agrees to use reasonable efforts to notify its employees, agents, and any other individuals who use the Products that the Products are licensed from Microsoft and subject to the terms of this agreement.
- b. **Copies for training/evaluation and back-up.** For all Products other than Online Services, Enrolled Affiliate may: (1) use up to 20 complimentary copies of any licensed Products in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Products for a 60 day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Product Use Rights.
- c. **Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
 - (i) Separate Licenses must be owned from the source for each Product that is re-imaged.
 - (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., upgrade or full License) must be identical to the Product type from the separate source.
 - (iv) Enrolled Affiliate must adhere to any Product-specific processes or requirements for re-imaging identified in the Product List.
 - (v) Re-images made under this subsection remain subject to the terms and use rights provided with the License from the separate source.
 - (vi) This subsection does not create or extend any warranty or support obligation.

6. Transferring and reassigning Licenses.

- a. **License Transfers.** License transfers are not permitted, except as explicitly set forth in the Perpetual License Transfer Form. The resale of Licenses is prohibited, including any transfer by a Customer or its Affiliate(s) for the purpose of transferring those Licenses to an unaffiliated third party.
- b. **Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single user or device within the Enterprise. Licenses may be reassigned within the Enterprise as described in the Product Use Rights.

7. **Term and termination.**

- a. **Term.** The term of this agreement will be 36 months from the Effective date unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.
- b. **Termination without cause.** Either party may terminate this agreement, without cause, upon 60 days written notice. Such termination will merely terminate either party's and its Affiliates' ability to enter into new Enrollments under this agreement. Such termination will not affect any Enrollment or order not otherwise terminated, and any terms of this agreement applicable to any Enrollment or order not otherwise terminated will continue in effect with respect to that Enrollment or order. An Enrolled Affiliate may terminate an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the Enrollment are not appropriated or allocated for such purpose.
- c. **Termination for cause.** Either party to an Enrollment may terminate it if the other party materially breaches its obligations under this agreement, including any obligation to submit orders or pay invoices (even if such non-payment is caused by non-appropriation of funds). Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days notice and opportunity to cure.

If Microsoft gives such notice to an Enrolled Affiliate, Microsoft will give Customer a copy of that notice as well and Customer agrees to assist in attempting to resolve the breach. If the breach also affects other Enrollments and cannot be resolved between Microsoft and Customer within a reasonable period of time, Microsoft may also terminate this agreement and all other Enrollments under it, unless the basis for termination of the Enrollment is non-appropriation of funds to the Enrolled Affiliate, in which event Microsoft may only terminate the affected Enrollment(s). If an Enrolled Affiliate ceases to be Customer's Affiliate, Customer must promptly notify Microsoft, and Microsoft may terminate its Enrollment.

- d. **Early termination.** If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminate an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:
 - (i) It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or
 - (ii) It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:
 - 1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and
 - 2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.
 - (iii) In the case of Early Termination under Subscription Enrollments, Enrolled Affiliate will have the following options:
 - 1) For eligible products Enrolled Affiliate may obtain perpetual Licenses as described in the section titled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.

- 2) Where not exercising buy-out option, in the event of breach by Microsoft, Microsoft will issue Reseller a credit for any amount paid in advance that would apply after the date of termination.

Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.

- e. **Effect of termination or expiration.** When an Enrollment expires or is terminated,
 - (i) Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments or any order of any kind, including subscription services, remain due and payable. Except as provided in the subsection titled "Early termination," all unpaid payments for Licenses immediately become due and payable.
 - (ii) Enrolled Affiliate's right to Software Assurance benefits under this agreement ends if it does not renew Software Assurance.
- f. **Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating there; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may be in conflict with any such requirement or obligation. For example, Microsoft may modify or terminate an Online Service in connection with a government requirement that would cause Microsoft to be regulated as a telecommunications provider.
- g. **Program updates.** Microsoft may make a change to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments.

8. **Restrictions on use.**

Restrictions on use. Enrolled Affiliate must not:

- a. separate and use the components of a Product on two or more computers, upgrade or downgrade components at different times, or transfer components separately, except as provided in the Product Use Rights;
- b. reverse engineer, decompile or disassemble any Product or Fix, except where applicable law permits it despite this limitation; or
- c. distribute, sublicense, rent, lease, lend, or host any Product or Fix except as permitted in the Product Use Rights or in a separate written agreement.

9. **Open Source Restrictions.**

Certain third party license terms require that computer code be generally (1) disclosed in source code form to third parties; (2) licensed to third parties for the purpose of making derivative works; or (3) redistributable to third parties at no charge (collectively, "Open Source License Terms"). Neither party may use, incorporate, modify, distribute, provide access to, or combine the computer code of the other with any other computer code or intellectual property (collectively, "Provide") in a manner that would subject the other's computer code to Open Source License Terms. Microsoft is not responsible for Customer's upload, use or distribution of Customer's code from the Online Services. Customer may upload code to an Online Service and allow third parties access to use or download Customer's code on the Online Service, provided that (1) such use is not restricted by a Supplemental Agreement or the Product Use Rights and (2) any Open Source License Terms apply solely to Customer and their uploaded code, and not to any code or Products provided by Microsoft. Each party warrants that it will not provide

the other party with, or give third parties access through the Online Services to, computer code that is governed by Open Source License Terms, except as described above.

10. Confidentiality.

To the extent permitted by applicable law, the terms and conditions of this agreement are confidential. Neither party will disclose such terms and conditions, or the substance of any discussions that led to them, to any third party other than Affiliates or agents, or to designated or prospective resellers who: (1) have a need to know such information in order to assist in carrying out this agreement; and (2) have been instructed that all such information is to be handled in strict confidence.

11. Warranties.

a. Limited warranty. Microsoft warrants that:

- (i) Online Services will perform in accordance with the applicable Service Level Agreement;
- (ii) Products other than Online Services will perform substantially as described in the applicable Microsoft user documentation; and

b. Limited warranty term. The limited warranty for:

- (i) Online Services is for the duration of Enrolled Affiliate's use of the Online Service, subject to the notice requirements in the applicable Service Level Agreement;
- (ii) Products other than Online Services is one year from the date Enrolled Affiliate first uses the Product; and

c. Limited warranty exclusions. This limited warranty is subject to the following limitations:

- (i) any implied warranties, guarantees or conditions not able to be disclaimed as a matter of law last for one year from the start of the limited warranty;
- (ii) the limited warranty does not cover problems caused by accident, abuse or use in a manner inconsistent with this agreement or the Product Use Rights, or resulting from events beyond Microsoft's reasonable control;
- (iii) the limited warranty does not apply to components of Products that Enrolled Affiliate is permitted to redistribute;
- (iv) the limited warranty does not apply to free, trial, pre-release, or beta products; and
- (v) the limited warranty does not apply to problems caused by the failure to meet minimum system requirements.

d. Remedies for breach of limited warranty. If Microsoft fails to meet any of the above limited warranties and Enrolled Affiliate notifies Microsoft within the warranty period, then Microsoft will:

- (i) for Online Services, provide the remedies identified in the Service Level Agreement for the affected Online Service;
- (ii) for Products other than Online Services, at its option either (1) return the price paid or (2) repair or replace the Product; and

These are Enrolled Affiliate's only remedies for breach of the limited warranty, unless other remedies are required to be provided under applicable law.

e. DISCLAIMER OF OTHER WARRANTIES. OTHER THAN THIS LIMITED WARRANTY, MICROSOFT PROVIDES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS. MICROSOFT DISCLAIMS ANY IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE OR NON-

INFRINGEMENT. THESE DISCLAIMERS WILL APPLY UNLESS APPLICABLE LAW DOES NOT PERMIT THEM.

12. Defense of infringement and misappropriation claims.

- a. Microsoft's agreement to protect.** Microsoft will defend Enrolled Affiliate against any claims made by an unaffiliated third party that any Product or Fix that is made available by Microsoft for a fee infringes that party's patent, copyright, or trademark or makes intentional unlawful use of its Trade Secret. Microsoft will also pay the amount of any resulting adverse final judgment (or settlement to which Microsoft consents). This section provides Enrolled Affiliate's exclusive remedy for these claims.
- b. Limitations on defense obligation.** Microsoft's obligations will not apply to the extent that the claim or award is based on:
- (i) Customer Data, code, or materials provided by Enrolled Affiliate as part of an Online Service;
 - (ii) Enrolled Affiliate's use of the Product or Fix after Microsoft notifies it to discontinue that use due to a third party claim;
 - (iii) Enrolled Affiliate's combination of the Product or Fix with a non-Microsoft product, data or business process;
 - (iv) damages attributable to the value of the use of a non-Microsoft product, data or business process;
 - (v) modifications that Enrolled Affiliate makes to the Product or Fix;
 - (vi) Enrolled Affiliate's redistribution of the Product or Fix to, or its use for the benefit of, any unaffiliated third party, except as expressly permitted by the Product Use Rights;
 - (vii) Enrolled Affiliate's use of Microsoft's trademark(s) without express written consent to do so; or
 - (viii) any Trade Secret claim, where Enrolled Affiliate acquires the Trade Secret (1) through improper means; (2) under circumstances giving rise to a duty to maintain its secrecy or limit its use; or (3) from a person (other than Microsoft or its Affiliates) who owed to the party asserting the claim a duty to maintain the secrecy or limit the use of the Trade Secret.

Enrolled Affiliate will be responsible for any costs or damages that result from any of these actions.

c. Specific rights and remedies in case of infringement.

- (i) Microsoft's rights in addressing possible infringement.** If Microsoft receives information concerning an infringement claim related to a Product or Fix, Microsoft may, at its expense and without obligation to do so, either:
- 1) procure for Enrolled Affiliate the right to continue to use the allegedly infringing Product or Fix; or
 - 2) modify the Product or Fix, or replace it with a functional equivalent, to make it non-infringing, in which case Enrolled Affiliate will immediately cease use of the allegedly infringing Product or Fix after receiving notice from Microsoft.
- (ii) Enrolled Affiliate's specific remedy in case of injunction.** If, as a result of an infringement claim, Enrolled Affiliate's use of a Product or Fix that is made available by Microsoft for a fee is enjoined by a court of competent jurisdiction, Microsoft will, at its option:
- 1) procure the right to continue its use;

- 2) replace it with a functional equivalent;
- 3) modify it to make it non-infringing; or
- 4) refund the amount paid (or, for Online Services, refund any amounts paid in advance for unused Online Services) and terminate the license or right to access the infringing Product or Fix.

d. Enrolled Affiliate's Responsibility. Enrolled Affiliate will be responsible for any costs or damages arising from any claims made by an unaffiliated third party that:

- (i) any Customer Data or non-Microsoft software Microsoft hosts on Enrolled Affiliate's behalf infringes the third party's patent, copyright, or trademark or makes intentional unlawful use of its Trade Secret; or
- (ii) arise from Enrolled Affiliate's or its end user's violation of the Product Use Rights or these Additional Use Right and Restrictions.

Enrolled Affiliate must pay the amount of any resulting adverse final judgment (or settlement to which Enrolled Affiliate consents).

e. Obligations of protected party. Enrolled Affiliate must notify Microsoft promptly in writing of a claim subject to the subsection titled "Microsoft's agreement to protect" and Microsoft must notify Enrolled Affiliate promptly in writing of a claim subject to the subsection titled "Enrolled Affiliate's Responsibility." To the extent permitted by applicable law, where Enrolled Affiliate y invokes its right to protection it must (1) give Microsoft sole control over the defense or settlement; and (2) provide reasonable assistance in defending the claim. Microsoft will reimburse Enrolled Affiliate for reasonable out of pocket expenses that it incurs in providing assistance.

13. Limitation of liability.

a. Limitation on liability. To the extent permitted by applicable law, the liability of Microsoft and Enrolled Affiliate, their respective Affiliates and contractors arising under this agreement is limited to direct damages up to (1) for Products other than Online Services, the amount Enrolled Affiliate was required to pay for the Product giving rise to that liability and (2) for Online Services, the amount Enrolled Affiliate was required to pay for the Online Service giving rise to that liability during the prior 12 months. In the case of Products provided free of charge, or code that Enrolled Affiliate is authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to U.S. \$5,000. These limitations apply regardless of whether the liability is based on breach of contract, tort (including negligence), strict liability, breach of warranties, or any other legal theory. However, these monetary limitations will not apply to:

- (i) Microsoft's and Enrolled Affiliate's obligations under the section titled "Defense of infringement, misappropriation, and third party claims";
- (ii) liability for damages caused by either party's gross negligence or willful misconduct, or that of its employees or its agents, and awarded by a court of final adjudication (provided that, in jurisdictions that do not recognize a legal distinction between "gross negligence" and "negligence," "gross negligence" as used in this subsection shall mean "recklessness");
- (iii) liabilities arising out of any breach by either party of its obligations under the section entitled "Confidentiality", except that Microsoft's liability arising out of or in relation to Customer Data shall in all cases be limited to the amount Enrolled Affiliate paid for the Online Service giving rise to that liability during the prior 12 months;
- (iv) liability for personal injury or death caused by either party's negligence, or that of its employees or agents, or for fraudulent misrepresentation; and

- (v) violation by either party of the other party's intellectual property rights.
- b. **EXCLUSION OF CERTAIN DAMAGES.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, WHATEVER THE LEGAL BASIS FOR THE CLAIM, NEITHER PARTY, NOR ANY OF ITS AFFILIATES, OR CONTRACTORS, WILL BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES, OR DAMAGES FOR LOST PROFITS, REVENUES, BUSINESS INTERRUPTION, OR LOSS OF BUSINESS INFORMATION ARISING IN CONNECTION WITH THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH POSSIBILITY WAS REASONABLY FORESEEABLE. HOWEVER, THIS EXCLUSION DOES NOT APPLY TO EITHER PARTY'S LIABILITY TO THE OTHER FOR VIOLATION OF ITS CONFIDENTIALITY OBLIGATIONS (EXCEPT TO THE EXTENT THAT SUCH VIOLATION RELATES TO CUSTOMER DATA), THE OTHER PARTY'S INTELLECTUAL PROPERTY RIGHTS, OR THE PARTIES' RESPECTIVE OBLIGATIONS IN THE SECTION TITLED "DEFENSE OF INFRINGEMENT, MISAPPROPRIATION, AND THIRD PARTY CLAIMS."
- c. **Affiliates and Contractors.** Neither Microsoft nor Enrolled Affiliate shall bring any action against the other's Affiliates or contractors in respect of any matter disclaimed on their behalf in this agreement.

14. Verifying compliance.

- a. **Right to verify compliance.** Enrolled Affiliate must keep records relating to the Products it and its Affiliates use or distribute. Microsoft has the right, to the extent permitted by applicable law, to verify compliance with the license terms for Products, at Microsoft's expense.
- b. **Verification process and limitations.** To verify compliance, Microsoft will engage an independent auditor, which will be subject to a confidentiality obligation. Verification will take place upon not fewer than 30 days notice, during normal business hours and in a manner that does not interfere unreasonably with Enrolled Affiliate's operations. Enrolled Affiliate must promptly provide the independent auditor with any information it reasonably requests in furtherance of the verification, including access to systems running the Products and evidence of Licenses for Products Enrolled Affiliate hosts, sublicenses, or distributes to third parties. As an alternative, Microsoft can require Enrolled Affiliate to complete Microsoft's self-audit questionnaire relating to the Products Enrolled Affiliate and any of Affiliates use or distribute, but reserve the right to use a verification process as set out above.

If Microsoft undertakes verification and does not find material unlicensed use (License shortage of 5% or more per Product), Microsoft will not undertake another verification of the same entity for at least one year. Microsoft and the independent auditors will use the information obtained in compliance verification only to enforce Microsoft's rights and to determine whether Enrolled Affiliate are in compliance with the license terms for the Products. By invoking the rights and procedures described above, Microsoft does not waive its rights to enforce the agreement or to protect Microsoft's intellectual property by any other means permitted by law.

- c. **Remedies for non-compliance.** If verification or self-audit reveals any unlicensed use, Enrolled Affiliate must promptly direct its Reseller to order sufficient Licenses to cover such use. If material unlicensed use is found, Enrolled Affiliate must reimburse Microsoft for the costs Microsoft has incurred in verification and acquire the necessary additional Licenses at single retail license cost within 30 days.

15. Miscellaneous.

- a. **Notices to Microsoft.** Notices, authorizations, and requests in connection with this agreement must be sent by regular or overnight mail, express courier, or fax to the addresses

and numbers listed on the signature form and in this agreement. Notices will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery.

Copies should be sent to:

Microsoft may provide information about upcoming Enrollment deadlines and Online Services in electronic form. Such information may be provided by email to contacts provided by Enrolled Affiliate under an Enrollment, or through a web site Microsoft identifies. Notice by email is given as of the transmission date.

- b. Assignment.** Either party may assign this agreement to an Affiliate only. Assignment will not relieve the assigning party of its obligations under the assigned agreement. If either party assigns this agreement, it must notify the other party of the assignment in writing.
- c. Severability.** If a court holds any provision of this agreement to be illegal, invalid or unenforceable, the rest of the document will remain in effect and this agreement will be amended to give effect to the eliminated provision to the maximum extent possible.
- d. Waiver.** A waiver of any breach of this agreement is not a waiver of any other breach. Any waiver must be in writing and signed by an authorized representative of the waiving party.
- e. Applicable law; Dispute resolution.** The terms of this agreement will be governed by the laws of Enrolled Affiliate's state, without giving effect to its conflict of laws. Disputes relating to this agreement will be subject to applicable dispute resolution laws of Enrolled Affiliate's state.
- f. This agreement is not exclusive.** Customer is free to enter into agreements to license, use or promote non-Microsoft software.
- g. Entire agreement.** This agreement, the Product List, all Enrollments under this agreement, and the Product Use Rights constitute the entire agreement concerning the subject matter and supersede any prior or contemporaneous communications. In the case of a conflict between any documents referenced in this agreement that is not expressly resolved in the documents, their terms will control in the following order: (1) these terms and conditions and the accompanying signature form; (2) an Enrollment; (3) the Product List; (4) the Product Use Rights; (5) any other documents; and (6) all orders submitted under this agreement.
- h. Survival.** Provisions regarding ownership and license rights, fees, Product Use Rights, restrictions on use, evidence of perpetual licenses, transfer of licenses, warranties, defense of infringement and misappropriation claims, Microsoft's and Customer's obligations to protect each other, limitations of liability, confidentiality, compliance verification, obligations on termination or expiration and the other provisions in this section entitled "Miscellaneous" will survive termination or expiration of this agreement and of any agreement in which they are incorporated.
- i. No transfer of ownership.** Microsoft does not transfer any ownership rights in any licensed Product.
- j. Free Products.** It is Microsoft's intent that the terms of this agreement and the Product Use Rights be in compliance with all applicable federal law and regulations. Any free Product

provided to Enrolled Affiliate is for the sole use and benefit of the Enrolled Affiliate, and is not provided for use by or personal benefit of any specific government employee.

- k. Amending the agreement.** This agreement (except the Product List and the Product Use Rights) can be changed only by an amendment signed by both parties.
- l. Resellers and other third parties cannot bind Microsoft.** Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.
- m. Privacy.** Microsoft and Customer will comply with all applicable privacy and data protection laws and regulations. Customer may choose to provide personal information to Microsoft on behalf of third parties (including, Customer's contacts, resellers, distributors, and administrators) as part of this agreement. Customer represents and warrants that it has and will comply with any applicable laws to provide notices to or obtain permissions from any such individuals to allow sharing of their personal information with Microsoft for the purpose of allowing Microsoft or its agents to facilitate Customer's agreements and related services.

Customer consents to Microsoft's use of the contact information provided by Customer for purposes of administering its agreements, the business relationship and related services and with Microsoft's sharing of Customer's information with Customer's designated representatives, resellers, distributors, and administrators for such purposes, including allowing such individuals to update Customer's contact information on Customer's behalf. The personal information Customer provides in connection with this agreement will be used and protected according to the privacy statement available at <https://www.microsoft.com/licensing/servicecenter> to the maximum extent permitted by applicable law. Product-specific privacy commitments are described in the Product Use Rights.

- n. Natural disaster.** In the event of a "natural disaster," Microsoft may provide additional assistance or rights by posting them on <http://www.microsoft.com> at such time
- o. Copyright violation.** Except as set forth in the section above entitled "Transferring and reassigning Licenses", the Enrolled Affiliate agrees to pay for, and comply with the terms of this agreement and the Product Use Rights, for the Products it uses. Except to the extent Enrolled Affiliate is licensed under this agreement, it will be responsible for its breach of this contract and violation of Microsoft's copyright in the Products, including payment of License fees specified in this agreement for unlicensed use.
- p. U.S. export jurisdiction.** Products and Fixes are subject to U.S. export jurisdiction. Customer will comply with all U.S. Export Administration Regulations and International Traffic in Arms Regulation requirements as well as all end-user, end-use, and destination restrictions issued by the U.S. and other governments applicable to this agreement. For additional information, see <http://www.microsoft.com/exporting>
