### **OPERATIONAL PLAN**

#### **MOST**

#### **(Mobile Outreach Safety Team)**

MOST is designed to enhance the safety of our community by bringing the opportunity for recovery to those who suffer from mental illness.

State employee's that are assigned to MOST will work with the Sparks Police Department officers that have been trained in Crisis Intervention (CIT). MOST employees will work with other law enforcement agencies that have CIT certified officers.

#### Unit Objectives:

- To work with a variety of CIT trained officers throughout the Truckee Meadows.
- To pursue follow-up with mentally ill persons that impact the community (wellness checks generated by police, mental health professionals, Mental Health Court, NAMI and the community): managing their mental health program.
- Psychiatric emergency response.
- Outreach work with the mentally ill homeless population.

#### Unit Tracking:

Statistics will be kept on contacts to include: source information, demographics and outcomes from follow up. The State tracking system, Homeless Management Information System (HMIS) will be used to track and collect data on homeless individuals. Spreadsheets are being utilized to track contacts that are not homeless.

NNAMHS and MOST will coordinate monthly meetings to discuss operations and plan improvements.

#### Equipment:

The MOST van will be purchased using Seizure Funds and/or donations. MOST personnel will develop a fundraising network to maintain operation of the van and Unit.
