RE: SPECIAL USE PERMIT FOR 1964 FRAZER AVENEU

As you are aware, my attorney Gary Pakeli appealed the City's denial of the my business license license. At the City Counsel meeting, they upheld the denial. When we asked for the fees for the Special Use permit to be waived, the City attorney suggested that that would have to be considered at a different time. Therefore, I am requesting that that you set on the City Counsel docket my request for the waiver of the Special Use fees to be considered at the next City Counsel Meeting, in which I will appear and make my request based on the evidence at that time.

Hopefully this will get us on the road to meet the City's Requirements.

Sincerely,

Michael R. Booher
