Sparks City Counsel,

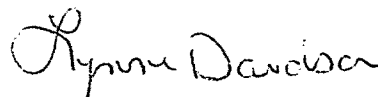

I am requesting a refund for my liquor license for the Elbow Room. I paid the \$1,000 license fee on July 31, 2013. It does not expire until June, 2014. I closed the business on August 30, 2013.

I have paid all required permit and license fess on time for the last eight years, the entire time that I owned the business.

It appears, that new owners have bought the business. I assume they have had to pay for licenses as well. This means the license has been issued and paid for twice.

Since I did not sell the business and am not using the liquor license, I would truely appreciate the refund. I contacted the City of Sparks on August 18 and verified my plans to close and inquired about what steps I should take to receive a refund but not heard an answer. Thank you very much for your consideration.

Thank you,

Lynne Davidson
