

Section 15.05.115 - Certification of qualification.

(Ord. 2399, Add, 05/12/2008)

Section 15.05.115.1 - Certificate of qualification.

It is unlawful for any person to labor at the trade of plumbing or the trade of electrician in the City of Sparks without first having had issued to him a valid certificate of qualification.

(Ord. 2399, Add, 05/12/2008)

Section 15.05.115.2 - Application for certificate of qualification.

Any person who is required by this code to possess a plumber's certificate of qualification or an electrician's certificate of qualification shall make application therefor and pay the fee as hereinafter provided.

(Ord. 2399, Add, 05/12/2008)

Section 15.05.115.3 - Fee for certificates of qualification.

Every person applying for a certificate of qualification shall pay the following fees:

A.	Journeyman Plumber	\$15.00
B.	Apprentice Plumber	\$10.00
C.	Maintenance Plumber	\$10.00
D.	Master Electrician	\$20.00
E.	Journey Electrician	\$15.00
F.	Apprentice Electrician	\$10.00
G.	Maintenance Electrician	\$10.00

(Ord. 2399, Add, 05/12/2008)

Section 15.05.115.4 - Issuance of certificates.

The building official shall issue certificates of qualification pursuant to the following provisions:

- A. Certificates of qualification shall be issued to every person who makes application for such certificate, pays the required fee and provides to the building official substantiating evidence of his qualification. A valid plumber's certificate of qualification or a valid electrician's certificate of qualification issued by any other governmental agency shall be deemed substantiating evidence of qualification. Each certificate shall expire one year from its date of issuance. Certificates must be renewed upon expiration by payment of the fees set forth herein.

(Ord. 2399, Add, 05/12/2008)
