October 18, 2018

TO: Regional Street Naming Committee

FROM: Bradley Kaneyuki, Technology Services / GIS

SUBJECT: Request to Name an Existing Unnamed Street/Easement

#### BACKGROUND:

On Monday, March 12th, 2018, Washoe County GIS received a request from Don Jones of Reno Land to name an existing unnamed easement to SUMMIT SIERRA BLVD. This would extend SUMMIT SIERRA BLVD from the western side of the Herz Blvd / Summit Sierra Blvd roundabout north and parallel to Mount Rose Hwy and east of Interstate 580 across State of Nevada land into the Reno City Limits. The Nevada Department of Transportation, Roadway Systems has approved the beginning portion that crosses a State of Nevada parcel, so long as the gating is planned outside of the NDOT easement area (as verified by Reno Land). GIS has performed its due diligence by checking the street name against the Master Street Directory for any existing street name duplicates or similar phonetically-sounding street names for the purposes of Emergency Management.
