Article C: EFFECTIVE DATE

This Resolution shall be effective as of July 1, 2013, and shall continue in force until June 30, 2015, or until a successor resolution has been approved by City Council.

Article D: RECOGNITION AND APPLICATION

1. The Executive positions of the City are listed on Appendix A and include the City Manager, Assistant City Manager(s) and Department Heads. All Executive employees will be appointed and will negotiate an employment agreement with the City prior to being hired. SECTION 2: PAY RATES

Article A: PAY RATES

1. Pay Rates

 5. Demotions: When an employee is demoted to a position in a class allocated to a lower pay range the employee shall be reduced five percent (5%) or to the maximum rate of the new class, whichever is lower.
 6. Reduction of Pay: The City Manager may reduce an employee from any increment of the salary range, other than the first increment, to any appropriate lower increment of the salary range, upon failure of the employee to maintain the standard of work set forth for the increment of the salary range upon which the employee has been placed. In such event, the City Manager may again raise the increment to any increment not higher than that from which the employee was reduced should the employee's standard of service be reestablished.
 7. Reclassification of Position: When an employee's position is reclassified to a higher pay range, the employee shall be placed into the new pay range with a minimum five percent (5%) increase. Under no circumstances, however, shall any employee be paid more than the top of the employee's salary range.

In those cases where an employee's position is reclassified to a lower pay range, the employee shall be placed into the new pay range at the same pay rate at which the employee is presently serving, or the top of the new range, whichever is less.
 8. Full-Time Service: For the purposes of determining eligibility for merit advancements and accrual of benefits, the term "full-time service" shall mean the number of days actually worked on a job including all absences with pay. Leave of absence without pay shall not be credited as full-time service.
 9. Part-time Employment: Full-time positions currently approved within the budget may be filled on a part-time basis. Benefits attendant to part-time positions shall be determined by the City Manager on an individual basis.
 10.  12. Voluntary Reductions in Salary or Benefits: Should an employee voluntarily make a reduction in pay, benefits, or hours worked as outlined in numbers 10 and 11 above, the City Manager may make non-monetary considerations for the benefit of such employees.

Article B: MERIT ADVANCEMENTS

Merit Increases: An employee who has not reached the maximum in the pay range shall be eligible for a merit pay increase, contingent upon the employee's level of job performance, effective with the first full pay period in December. The City Manager has the option to provide merit pay increases or bonus pay at any time during the fiscal year. An employee who may otherwise be eligible for a merit increase, but who was denied such an increase, shall be eligible for review at the discretion of the City Manager for a merit salary increase at any subsequent time during the next twelve (12) months.

Employees receiving an auto allowance from the City of Sparks are not entitled to use of a City vehicle unless authorized in advance by the City Manager. Article B: SICK LEAVE CONVERSION

1. Eligibility: Employees who elect to have sick leave payoff in cash in accordance with this agreement are not entitled to elect conversion of accumulated sick leave to an insurance benefit. Employees electing sick leave conversion to an insurance benefit are not entitled to sick leave payoff in cash.
2. Conversion of Accumulated Sick Leave: Employees separating from the City of Sparks may elect to convert a percentage of the employee's accumulated sick leave to an unfunded City account for the purpose of paying for future medical coverage under the City's then existing group medical insurance plan or the medical plan offered through the Public Employees Benefit Plan (PEBP), on a monthly basis in accordance with the following table:

<u>Years</u>	<u>Percentage Converted</u>
10	50%
11	60%
12	70%
13	80%
14	90%
15	100%

The account would be assigned a present value as of the date of retirement equal to the number of hours of accumulated sick leave times the employee's base hourly rate at the time of retirement. The City will account for a retiree's accumulated sick leave and debit said account on a dollar-for-dollar basis. The City will pay the retiree's medical cover age so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

When a retired employee becomes eligible for Medicare coverage or other federal programs, the retiree will receive Medicare supplemental coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

A surviving spouse will continue to receive medical coverage under this benefit so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

This benefit is nontransferable and does not survive the retiree except as to a surviving spouse as described above.

The fund to which the accumulated sick leave is credited does not accrue interest and does not have cash value. The city pays for the retiree's medical coverage by debiting the monthly cost of such coverage from the retiree's accumulated sick leave balance and paying the actual cost of such coverage out of the appropriate City fund. The retiree may request an annual summary of the sick leave balance.

Retention of Previous Conversion Benefits - Should an employee transfer into this contract from another unit or resolution within the City, the employee may retain the conversion benefit earned under the previous contract.
