Mr. Neil Krutz, City Manager
City of Sparks
431 Prater Way
Sparks, NV 89431

Dear Mr. Krutz

Please let this letter serve as a follow up to our conversations and memorialize the scope of work addressed in our discussions regarding assistance with the Washoe County Federal Lands Bill. More specifically, provide outreach efforts to include a proposed connector road for east Sparks to the current Federal Lands Bill before Congress. The proposed connector Road will proceed north through Sparks from the existing USA Parkway and I-80.

Barrett Resources is an experienced government relations firm specializing in community outreach programs related to local government projects. We have considerable experience with local governments, state agencies, elected officials and the business community for outreach efforts. We have a proven track record of success and we look forward to bringing our track record to this project.

Barrett Resources will conduct one on one meetings with appointed and elected officials of Washoe County, City of Reno and the City of Sparks. We will also conduct meetings with affected property owners along the proposed connector road and those businesses who will potentially benefit from the proposed connector road.

The primary goal of this project is to gain majority support for the connector road in a local government joint meeting scheduled for June 7, 2019. This majority support will provide the Nevada Federal delegation with a clear message that the region is in dire need of this connector road.

Mr. Neil Krutz

Barrett Resources is proposing a fee of fifteen thousand dollars effective May 1, 2019 through June 30, 2019. The fee is all inclusive to cover expenses related to individual meetings, general expenses and transportation costs. Barret Resources also proposes payment of \$7,500 by May 15, 2019 and the balance due June 30, 2019. Should you prefer a different payment schedule, we are happy to discuss this with you.

Thank you very much for your consideration and we look forward to working with you on this project. Please feel free to contact me should you have any questions or you require additional information.

Sincerely,

Chris Barrett
