Mayor Geno Martini
431 Prater Way
Sparks, Nevada 89431

Dear Mayor Martini:

Geno,

I am writing to express my full support for renaming the section of Kietzke Lane between Galletti Way and Victorian Avenue to "Battle Born Way." As you know, the new Northern Nevada Veterans Home is currently being constructed on this section of Kietzke Lane. Additionally, the number for this facility should be "36," to represent our state being the 36th to join the Union.

I believe "36 Battle Born Way" will pay tribute to our future veteran residents, as well as Nevada's strong military history. I am proud of the joint efforts Nevada has taken to honor our veterans and ask that you support this name change.

Sincere regards,

Brian Sandoval
