Subject: Truckee Meadows Water Reclamation Facility Methanol Building Security Change order #1
 Reference: RFI Proposal No. **450-1600828**

Dear Mr. Suey Huey:

RFI is pleased to offer for your consideration the following change order for Methanol Building Security. This change order is necessary to bring Access Control equipment and electrical material to "Class One Division One" Classifications.

Our proposal is representative of the necessary skills and future responsibilities to effectively serve Truckee Meadows Water Reclamation Facility with the highest regard to quality in products and installation workmanship.

SCOPE OF WORK

RFI will provide and install the following equipment and services:

- Remove and replace conduit to meet Class1 Division1 per new requirements
- Re-core walls to allow for sealing with grouts
- Reinstall conduits, provide flexible connections to meet classification
- Installation of maglocks on outside of doors to meet new classification and all associated material
- Fabrication of specialty mounting hardware for maglocks to work with out swinging doors
- Mounting of Maglocks on the outside of the door will void the manufactures warranty. TMWRF has been made aware of this prior to this proposal.
- Necessary Shop drawings (see attached)

SCHEDULE OF VALUES

Lump Sum for the complete scope of work is:

Nine thousand six hundred forty six and No/100 Dollars \$9,646.00

We look forward to maintaining a trusted, long term business relationship. If you have any questions regarding this proposal or any other matter, please feel free to contact me directly at **775.852.3555**, via fax at **775.852.6633**, or via email at **hcho@rfi.com**.
