Introduction

Red Cross responds to 70,000 disasters and emergencies per year.

Red Cross Services

- Many are home fires that affect single families or apartment residents.
- In our community, volunteers respond to a home fire +/-every 4 days.

Volunteers are on call 24/7

- Immediate financial assistance
- Lodging
- Food and clothing and
- A safe and clean place to stay

Always on Call, Always There

Client assistance is provided free of charge thanks to the generosity of community partners and individuals.

Working Together: Community Partners

1. Client Assistance — financial assistance for immediate needs when displaced.
2. Service to Armed Forces — connects military members and families.
3. Volunteer Services — engages those who want to serve.
