Subject: City of Sparks Sewer Refund

Hi Jeff –

A TMWA meter error at our Centennial Plaza transit station caused RTC to also incur additional sewer fees. A credit for RTC's excess payments has been applied (see attached) however I would like to request City of Sparks issue RTC a reimbursement check instead. At this rate, it will take RTC approximately 8-9 years to use up our credit.

Please let me know if you have questions.

Thanks for your assistance,
