Dear Ms. Domingues:

This letter is acknowledging your letter of request, dated October 11, 2017, for a revision to the proposed plan of development for land acquired by City of Sparks under a Recreation and Public Purposes Lease serial number NVN 55296 at Golden Eagle Regional Park in Sparks, Nevada. You requested the authorization to install a lit sign within the planter of the center of the ballfields, to provide better signage to visitors at the park. The sign is within the scope of conceptual designs that were authorized in the plan of development.

This letter also serves to authorize your request and we will update your case file with this information.

If you have any questions, please contact Terah Malsam, Realty Specialist, at 775-885-6153.

Sincerely,

Bryant D. Smith
