MANAGER who is absent for a full day due to illness or annual leave is only entitled to compensation in relation to the amount of accumulated Sick Leave, Annual Leave, or other paid leave.

J. PERSONAL LEAVE

MANAGER shall be entitled to five (5) days of Personal Leave each fiscal year. Any leave balance remaining as of June 30 shall be forfeited.

K. CARRY OVER OF LEAVE

Accrued but unused Annual Leave and Sick Leave will be carried over year to year. Upon MANAGER's resignation or termination of employment, MANAGER will be entitled to full

compensation for the accrued, unused Annual Leave and Personal Leave. If qualified, MANAGER may convert unused Sick Leave upon resignation or termination of employment as set forth below:

1. Sick Leave Conversion

OPTION 1

Conversion of Accumulated Sick Leave: MANAGER separating from the CITY may elect to convert the percentage set forth below in the table of MANAGER's accumulated unused sick leave to an unfunded CITY account for the purpose of paying for future medical coverage under the CITY's then existing group medical insurance plan or the medical plan offered through the Public Employees Benefit Plan (PEBP), on a monthly basis in accordance with the following table:

<u>Years</u>	<u>Percentage Converted</u>
10	50%
11	60%
12	70%
13	80%
14	90%
15	100%

The account will be assigned a present value as of the date of separation equal to the number of hours of accumulated sick leave times the MANAGER's base hourly rate at the time of separation. Upon MANAGER's retirement in the PERS system and if otherwise qualified CITY will pay the retiree's medical coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium. CITY will account for MANAGER's accumulated sick leave and debit said account on a dollar for dollar basis.

Upon retirement, if retired MANAGER does not continue medical coverage under the City of Sparks group health policy, retired MANAGER and spouse will not be eligible for the benefits outlined herein. Pursuant to Nevada Revised Statute 287.0205 retired MANAGER or spouse may reinstate coverage in January of any even numbered year as long as the City of Sparks was Employee's last Nevada public employer. Upon reinstatement retired MANAGER or spouse will pay in full the current health plan premium.

When retired MANAGER becomes eligible for Medicare coverage or other federal programs, the retired MANAGER will receive Medicare supplemental coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

A surviving spouse will continue to receive medical coverage under this benefit so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

This benefit is nontransferable and does not survive the retiree except as to a surviving spouse as described above.

The fund to which the accumulated sick leave is credited does not accrue interest and does not have cash value. CITY pays for the retired MANAGER's medical coverage by debiting the monthly cost of such coverage from the retiree's accumulated sick leave balance and paying the actual cost of such coverage out of the appropriate CITY fund. The retiree may request an annual summary of the sick leave balance.

Eligibility: MANAGER who elects Option 2 set forth below to have sick leave payoff in cash at termination accordance with Option 2 is not entitled to Option 1, conversion of accumulated sick leave to an insurance benefit. MANAGER electing sick leave conversion to an insurance benefit is not entitled to sick leave payoff in cash.

SICK LEAVE CONVERSION OPTION 2

At MANAGER's option, CITY shall pay to MANAGER a payment equal to fifty (50%) of unused accumulated Sick Leave up to a maximum of two thousand five hundred hours (2,500) earned with the CITY upon termination of MANAGER's employment or MANAGER's death to be paid at MANAGER's then hourly rate.

- L. CITY shall pay the professional dues and subscriptions of MANAGER necessary for his continuation and participation in national, regional, state and local associations and organizations necessary and desirable for his continued professional participation, growth and advancement and for the good of CITY.
- M. CITY agrees to pay the travel and subsistence expenses of MANAGER for professional and official business travel and meetings adequate to continue professional development of MANAGER and to adequately pursue necessary official functions and matters of interest to CITY.

If City Council takes action to not renew MANAGER's contract, MANAGER shall be entitled to the severance terms set forth below for contract nonrenewal. Any such amendment shall be upon terms and conditions agreed to by both parties.

If City Council takes no action on MANAGER's contract by July 1 in any year, this contract will automatically renew for a one (1) year term under the same terms and conditions set forth herein.
