

**2015 Annual Operating Plan
Automatic Aid Agreement/Response Guidelines
Sparks Fire Department – Reno Tahoe Airport Authority**

AUTOMATIC AID RESPONSE AREAS WITHIN THE CITY OF SPARKS

- A.** Based upon a notification from the airport control tower, the Reno Tahoe Airport Authority will immediately notify Sparks Dispatch (353-2231) of any aircraft incidents or impending aircraft incidents on Sparks' jurisdiction.

- B.** Sparks Fire Department will immediately notify the Reno Tahoe Airport Authority "Air Communications" (328-6600) of any incidents involving aircraft that occur on Sparks' jurisdiction.

PARAMETERS OF AUTOMATIC AID

- A.** Assistance will include an appropriate response of apparatus and personnel from the Reno Tahoe Airport Authority based upon the type, size and/or complexity of the aircraft.
