QTY	DESCRIPTION	NOTE	AMOUNT

Maintainer Terms and Conditions:

- All prices are F.O.B. Sheldon, IA & in USD; delivery charges to be determined. This quote does not include any applicable local, state or (F.E.T) federal taxes. Payment in full is required on delivery unless other terms are agreed upon prior to sale.
- Ex-factory delivery is 330-420 days after receipt of order with full order information subject to prior sales and chassis availability.
- Orders that are cancelled after booking will be subject to a \$500 cancellation processing fee, in addition to any restocking or costs for parts purchased for the cancelled unit. The fee will cover our incurred costs to process the order, plan production and released purchasing commitments. Orders are considered firm upon chassis confirmation, units are committed to a build slot, and serial numbers are assigned.
- Changes to booked orders are subject to change order fees. We have historically allowed flexibility on rearranging your builds order prior to week 10, if the swap is without changes to either spec. Units already released for production (weeks 8-10) will be reviewed on a case-by-case basis, but generally it is too late. It is possible they could be reassigned to the offline upfit department and you can get a quote for the changes.
- Maintainer reserves the right to make changes and/or substitute components and product is subject to change without notice; Maintainer is not responsible for any Local, State, Federal or other regulations that maybe pertinent to quote/order.
- The information contained in this quote, and all supporting documentation is confidential and may only be used by Maintainer, our dealer and/or the customer listed on this quote.
- We assume no liability for damage due to theft, vandalism, fire, weather, disaster, or damage due to gradual deterioration or inherent defect in such property.
- We assume no liability for damage any kind during the storage of your chassis or parts on our premises while awaiting modification or installation. The storage location of the property shall be determined by Maintainer in its discretion.
- Exception to above is when directly attributable to our own gross negligence in moving or modifying chassis or parts, and in that event only to the extent of the wholesale used value of the chassis or parts as of the date of storage.
- Thank you for your interest in Maintainer's products and the opportunity to quote you. If you have any questions, please feel free to contact us at (800) 831-8588.
