

CITY OF HEALDSBURG

RESOLUTION NO. 136-2013

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HEALDSBURG APPROVING THE PURCHASE OF ONE 10 WHEEL CAB AND CHASSIS WITH HYDRAULIC HOOK, ROLL-OFF, AND DUMP SYSTEM ALONG WITH THE PURCHASE AND INSTALLATION OF A FLATBED AND CABLE HOOK SYSTEM FOR A 2006 FORD F450 IN THE AMOUNT OF \$209,319.83

WHEREAS, the California Air Resources Board (CARB) implemented the Diesel Particulate Matter Control Measure for On-road Heavy Duty diesel-fueled Vehicles Owned and Operated by Public Agencies and Utilities (Title XIII, California Code of Regulations Sections 2020 and 2022); and

WHEREAS, City trucks #2, #8, and #9, are not in compliance with CARBs new regulations; and

WHEREAS, these trucks are at or beyond their planned replacement life of 12 years; and

WHEREAS, one new cab and chassis equipped with a hook and roll-off system could serve the purpose of three individual trucks; and

WHEREAS, City staff prepared specifications and invited bids for a 10 wheel cab and chassis with hydraulic hook and roll off system; and

WHEREAS, on August 1, 2013 eight bids were received with Tom's House of Hydraulics of West Sacramento, CA being the apparent low bidder in an amount of \$209,319.83; and

WHEREAS, staff has reviewed the bid submitted by Tom's House of Hydraulics and found it to meet all the requirements of the specifications; and

WHEREAS, the conversion to a hook and roll off system will make Truck #2 and #9 unnecessary warranting the surplus of these vehicles; and

WHEREAS, Pursuant to California Environmental Quality Act and Title 14, the California Code of Regulations ("CEQA Guidelines"), Section 15378(b)(2), continued administrative actions do not qualify as a "Project".

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Healdsburg hereby:

1. Approve the purchase of one 10-wheel cab and chassis with hydraulic hook, roll-off, and dump system along with the purchase and installation of a flatbed and cable hook system for a 2006 Ford F450.

2. Award a purchase order to Tom's House of Hydraulics in the amount of \$209,319.83.
3. Approve additional appropriations from the Vehicle Replacement Fund in the amount of \$209,320.

FY2014 budget increased by the following amounts;

510-5110-441.47-01	Streets – Vehicle Replacement	\$52,329.96
520-5120-441.47-01	Water – Vehicle Replacement	\$52,329.96
530-5130-441.47-01	Wastewater – Vehicle Replacement	\$52,329.96
531-5131-441.47-01	Storm Drains – Vehicle Replacement	\$52,329.95

Funding source for increases;

Fund 602	Vehicle Service Fund	\$209,320.00
----------	----------------------	--------------

4. Authorize the City's Purchasing Officer to surplus City trucks 2 and 9 after receiving the complete order from Tom's House of Hydraulics.
5. Find that pursuant to California Environmental Quality Act and Title 14, the California Code of Regulations ("CEQA Guidelines"), Section 15378(b)(2), continued administrative actions do not qualify as a "Project" and therefore requires no further review.

PASSED, APPROVED AND ADOPTED, this 18th day of November 2013, by the following vote:

AYES: Councilmembers: (5) Chambers, McCaffery, Plass, Wood and Mayor Jones

NOES: Councilmembers: (0) None

ABSENT: Councilmembers: (0) None

ABSTAINING: Councilmembers: (0) None

SO ORDERED:
