"This was just the perfect location for the Washoe County school district." This district's Chief Operations Officer, Pete Etchart said, "we really didn't, I can't say that we had a plan 'B.' Trying to find acreage in an urban environment is very difficult."

WCSD's plan to build a high school at Wildcreek Golf Course won't be easy. Here's why

When the district originally set forth the plan to build on Wildcreek, they asserted that they wanted the land transfer to be complete by August. That claim may have been jumping the gun, according to WCSD chief operating officer Pete Etchart.

"We probably shouldn't have even said that," he said.
